The amendments include the removal of mandated concrete or asphalt used for runners, and limestone would now be allowed, while keeping the density the same. The protective apron made of concrete or asphalt around the driveway was still in place. The committee addressed the turnarounds and the t-turns to make them more practical because ultimately a school bus does not need to go in there, and they were shrunk. But mainly, the changes dealt with concrete and limestone.

Councilman Delatte stated that the wording that he was looking at stated a minimum of one (1) streetlight for every three (3) lots and requested clarification.

The vice-chair stated that the streetlights would be required for every three (3) lots instead of everyone (1) to two (2) lots. He furthered explained the intent of the amendments.

Councilman Harris invited the Clear Lake Subdivision Homeowners’ Association president and secretary from the audience to speak on this item.

Public input: Murray Corkern, President of Clear Lake Subdivision Homeowners’ Association  
Donna Bernard, secretary of the Homeowners’ Association

The vice-chair recommended that they contact the Council clerk and petition the Council to make Powell Lane a Type D road, and if there were no objections from the residents to this, then the Council could bring it in under Type D Roads and maintain it. He further explained that the Parish would never own it, and what the other requirements were to have it accepted as Type D.

The vice-chair allowed an open discussion and answered Ms. Bernard’s many questions.

-----  
The vice-chair addressed agenda item numbers 23 a and b, “Waiver request(s) of Section 125-27, “Driveway culverts and/or Subsurface Drainage”, to allow subsurface drainage in a subdivision: a. Councilman Tracy Girlinghouse reported that the Ordinance committee had been meeting each week and felt that they have been very productive. He invited the other Councilmembers to submit anything that they wished for the committee to review.

Councilman Jeff Ard reported that the Finance committee had met earlier that evening, but Ms. Jennifer Meyers, Finance Director, was on vacation and having no other business to report or discuss, and no public input from the audience members, the meeting was adjourned until she returned.

-----  
The vice-chair addressed agenda item 36, “Councilmen’s comments”. Councilman Randy Delatte stated that his question was related to Finance and asked about the COVID-19 money that local government was supposed to receive and questioned if the Finance committee had any news. Councilman Ard stated that he would speak with Ms. Meyers about that when she returned back to work. Deputy clerk Angie McMorris advised that she had spoken to Ms. Meyers who at that time stated that she would be giving an update on that when she returned. The Deputy clerk asked Councilman Ard if he wished to schedule a Finance committee meeting on the first meeting next month. He agreed.

The vice-chair wished to convey that early voting had begun on Monday, June 22<sup>nd</sup> and will continue until Saturday, July 4<sup>th</sup>. Councilman Ard concurred that he correct, early voting would be open on the July 4<sup>th</sup> holiday. He discussed the Secretary of State’s deadlines to request mail ballots, the military and overseas voters’ deadline to receive ballots and the actual election day being Saturday, July 11<sup>th</sup>. He reminded everyone of what would be on the ballot and encouraged everyone to vote.

Councilman John Wascom requested to comment and stated that this had been the most efficient Parish Council meeting that he had ever seen in the past five (5) years and wished to make the motion to adjourn to which the other Councilmembers and audience jovially applauded and chortled.

-----
