understanding that the changes were made and are still effective in the Livingston Parish Regulations Booklet; and

WHEREAS, the Livingston Parish Regulations Booklet, dated September 12, 2013 Edition or any future revisions of said booklet as approved by the Council by resolution, a copy of which is available in the office of the Council Clerk, is hereby adopted as the revised safety regulations of the parish for regulating hazardous material, explosives, underground pipelines, new gas or liquid pipeline construction and placement and the providing for the issuance of permits and fees therefor, and each and all of the regulations, provisions, conditions and terms of the Livingston Parish Regulations Booklet, are hereby referred to, adopted and made a part hereof as if fully set out in this section; and

WHEREAS, on May 27, 2021, the Livingston Parish Council desired to update the Livingston Parish Regulations Booklet by resolution with the following additions:

Operations and Activities

Utility and Other Ground Disturbing/Breaking Activities

These provisions, set forth to protect all current underground utilities within the borders of Livingston Parish, apply to all activities that will or may potentially disturb or break ground. See definition of EXCAVATION or EXCAVATE on page 2 of this booklet. This does not replace the required notification to Louisiana One Call and/or other notification procedures outlined in the Louisiana Underground Utilities and Facilities Damage Prevention Law (LA R.S., Title 40, Part VIII. Underground Utilities and Facilities).

Section 1: Permit/Emergency Operations Plan

- (a) **Permit/Emergency Operations Plan Required:** No person, firm, partnership or corporation, public or private, shall conduct any excavation, ground disturbing or ground breaking activities of any kind, on, over, across or through any Parish owned road, right of way, canal, drainage ditch, levee or any bayou under the jurisdiction of the Parish Council in the Parish of Livingston, Louisiana (hereinafter referred to as "Parish") without having previously submitted an Emergency Operations Plan (EOP) and obtained a permit from the Parish in the manner hereinafter provided.
- (b) **General Conditions under which permit is granted:** Applications for permits shall be made in writing to the Livingston Parish Office of Homeland Security and Emergency Preparedness a minimum of three (3) business days prior to the start of the project/work. Such application may be in the form of a letter and shall contain a clear description of the utilities/project/work and its purpose, plans, specifications, location, map of location, and name and address of its owner and of the representative designated by such owner, who may be contacted by the Parish on all future matters, related to the construction, installation, maintenance, and repair of the utilities. In additions, such application shall be accompanied by the following: a business check, certified or cashier's check in the amounts stated in this Section and a letter of compliance with this booklet.
- (c) **Fees:** All Emergency Operations Plan (EOPs) that are submitted to the Livingston Parish Office of Homeland Security and Emergency Preparedness for review, record and issuance of a permit will be accessed a fee of no more than one hundred dollars, depending on the degree of review needed, each time a plan is submitted.
- (d) The Livingston Parish Office of Homeland Security and Emergency Preparedness shall notify the potentially affected current utility owners of all EOP/Permit submissions for review prior to the issuance of the permit.
- (e) **Permit - Issuance or Denial:** After receipt of an application which meets the requirements, the applicant shall receive a permit or be advised in writing as to why a permit cannot be issued, prior to the work beginning.

Section 2: Emergency Work

Emergency Work: Valid emergency work does not fall under the three business days requirements. Any utilities requiring emergency work or other emergency ground disturbing/breaking work, to provide for the health and safety of Livingston Parish and its residents, must be reported to the Livingston Parish Office of Homeland Security and Emergency Preparedness via its 24/7 On-Call number, 225-686-0721, immediately once the necessity of the emergency work is determined. The information that must be provided in this notification includes, but is not limited to, location, cause and justification of emergency work needed, estimated length of utility interruption, affected areas of utility interruption, potential road closures and duration, other potential hazards, emergency work contact information, etc. If a hazard materials release is involved in the emergency incident (i.e., gas leak, oil on the ground, etc.), the LEPC, through 911 Communications, and the HazMat Hotline, at 877-925-6595, must be notified immediately upon its discovery.

Administration and Enforcement

Section 2: Violations

- (j) Utility Companies and Other Ground Disturbing/Breaking Activities: Monitoring and Enforcement

- (1) The Livingston Parish Office of Homeland Security and Emergency Preparedness, the Livingston Parish Department of Public Works, the Livingston Parish Gravity Drainage Districts, local law

enforcement and fire departments shall have the right to reasonably monitor owner or operators to ensure their compliance with the requirements set forth in this booklet.

- (2) Failure of any owner or operator to comply with these requirements shall be subject to the following:
- (a) For the first violation, a civil penalty of not more than two hundred fifty dollars.
 - (b) For a second violation of a similar nature within a two-year period from the previous violation, a civil penalty of not more than five hundred dollars.
 - (c) For a third violation of a similar nature within a two-year period from a previous violation, a civil penalty of not more than one thousand dollars.
 - (d) (4) For a fourth and each subsequent violation of a similar nature within a two-year period from the previous violation, a civil penalty of not less than two thousand dollars nor more than twenty-five thousand dollars.
 - (e) Any person, firm, partnership or corporation, public or private, conducting any excavation, ground disturbing or groundbreaking activities who is issued a citation for a violation shall immediately stop all activity until the requirements of this Part are met. Failure to do so shall subject the violator to an additional citation and civil penalty of not more than twenty-five thousand dollars for each such subsequent citation issued.
- (3) Damage to other entity utilities, property, any Parish owned road, right of way, canal, drainage ditch, levee, or any bayou under the jurisdiction of the Parish Council, due to the failure to comply with provisions set forth on this booklet and/or utility markings, plans, etc. provided, shall result in the cost to repair being assumed by the responsible party/firm/partnership or corporation.

NOW THEREFORE, BE IT RESOLVED by the Livingston Parish Council, as the governing authority of the Parish, that the above mentioned additions be added to the Livingston Parish Regulations Booklet, said booklet cover being dated 8 April 2021.

This Resolution having been submitted to a vote, the vote thereon was as follows:

WHEREUPON, this Resolution was declared to be adopted by the Livingston Parish Council of the Parish of Livingston, State of Louisiana, on this, the 27th day of May, 2021.

The chair addressed agenda item number 14a, "Planning Commission Recommendations: (deferred from the May 13, 2021 regular meeting of the Council)

- | | |
|-----------------------|---------------------|
| a. Loretta Townhomes | Quality Engineers |
| Preliminary Site Plan | |
| Montrose North Drive | Section 1, T8S R2E |
| | Council District 5" |

The chair inquired if there was anyone in attendance from the Livingston Parish Planning Department who could address this agenda item. Having no one present, the chair questioned if there was a representative from Quality Engineering representing Loretta Townhomes.

Public input: George McCallum, representing Quality Engineering and Loretta Townhomes

Mr. McCallum conveyed that at the last meeting, Mr. Sam Digirolamo, Parish Planning Director, had addressed the Council members and indicated that this development had the recommendation of the Livingston Parish Planning Commission and met all of the ordinances.

The chair clarified that this item had been deferred from the previous Council meeting at the request of Councilman Shane Mack. Councilman Mack explained that he requested it to be deferred because of the proposed adoption of an ordinance to improve drainage that has since been deferred. He stated that there was no reason to defer this agenda item any longer. He continued and explained that he wished to state for the record that the Planning Department approved this item contingent upon the relocation of the treatment plant.

The chair questioned Mr. McCallum if this issue had been addressed. Mr. McCallum responded in the affirmative that it had been addressed by the engineer.

Councilman R.C. "Bubba" Harris wished to comment that the main concern that he had found from the residents of Montrose, who are the ones that are being affected, was the drainage. Upon speaking with Wesley Kinnebrew, manager of Gravity Drainage District No. 1, a plan has been

put in place to help drain this area of development. This will be achieved by part of the drainage going towards Walker South, and where the townhomes are going be located, will be going around to another drainage canal that will cross Louisiana Highway 16 and lead to Gray’s Creek. He opined that by doing these things, it should help with their drainage concerns on Montrose.

LPR NO. 21-170

MOTION was made by Tracy Girlinghouse and duly seconded by Randy Delatte to accept the recommendation of the Livingston Parish Planning Commission **and approve the preliminary site plan for Loretta Townhomes, contingent upon the relocation of the sewer treatment plant**, located on Louisiana Highway 16, Section 1, T8S R2E in Council District 5.

Upon being submitted to a vote, the vote thereon was as follows:

Thereupon the chair declared that the Motion had carried and was adopted.

The chair announced that he would like the Councilmembers to address agenda item numbers 17 a through q, “Adopt resolution to add the following roads for consideration to the Capital Outlay/Priority Road List:” and then he wished take up agenda item numbers 16a and b, “Adopt resolution to amend the Capital Outlay/3-year Priority Road List - Billy Taylor, McLin Taylor, Parish Road Engineer: a) Council District 4 – Remove Myrtle Street and add Linwood Street, Railroad Avenue, and Third Street to the 2021 contract without an anticipated cost increase to the contract and b) District 8 – Reduce footage on King George Bay Road and JW Lane and a portion of Palmer Road to the 2021 construction contract without an anticipated cost increase to the contract”. He then indicated that after addressing these two (2) items, he would like to go back and address agenda item number 15, “Livingston Farms Drainage issues – Greg Nethery/Randy Delatte”.

Having no one from the audience or the members of the Livingston Parish Council object to the chair’s wishes, the chair addressed agenda item numbers 17 a through q.

The chair directed the Council members to review the list of roads submitted on the agenda to add for consideration to the Capital Outlay/Priority Road List. The chair questioned if there was any objection to this list from the Council members, if not, they would be able to add the roads to the list in one (1) resolution. He stated that if there would be an objection amongst the Council, then they would have to them individually.

The chair questioned if there were anyone who was in objection to adding these proposed roads. Having none, he requested a motion to have the roads listed to be entered at one (1) time in the resolution.

Thereupon the chair declared that the Motion had carried and was adopted.

The chair addressed agenda item number 15, “Livingston Farms Drainage issues – Greg Nethery/Randy Delatte”.

The chair stated that he wished to make a comment before the Council began discussion. He asserted that the Livingston Parish Council was a legislative body, the work being done within the Parish is run by the Administration, and the Council members have little or no say in that. He further explained that the Council was glad to give Mr. Nethery some time to voice his concerns but he must understand that the Council members can do nothing about doing any work within the Parish.

The chair invited Mr. Greg Nethery to come and address the Council members with his concerns.

Public input: Greg Nethery, owner of Livingston Farms Subdivision

Mr. Nethery thanked the Council members for the opportunity to speak. He read from a written statement orating the history of Livingston Farms. He wished to seek solutions to the drainage problems in the development. Mr. Nethery gave a very detailed report of the flooding that occurs throughout the property.

The chair allowed the Council members to have an open discussion and question Mr. Nethery about the property.

LPR NO. 21-174

MOTION was made by Randy Delatte and duly seconded by Tracy Girlinghouse to request that Parish Administration contact the Louisiana Department of Transportation and Development and request that they provide a plan and submit suggestions concerning the state road that is affecting the drainage in Livingston Farms Subdivision.

Thereupon the chair declared that the Motion had carried and was adopted.

The chair addressed agenda item number 21a, “Committee Reports: Ordinance Committee”, and called upon Councilman Tracy Girlinghouse, Ordinance committee chairman.

Councilman Girlinghouse gave a brief report of their last meeting.

Councilman Randy Delatte stated that he would like to suggest that the Ordinance Committee take a look at the rivers to get a certain height and there would be a no wake or no travel on that river when it reaches that height instead of people calling in questioning if the river is closed causing confusion. Councilman Girlinghouse encouraged him to bring that to the Ordinance committee. The chair allowed a brief open discussion.

The chair addressed agenda item number 21b, "Finance committee", and called upon Councilman Jeff Ard, committee chairman. Councilman Ard stated that there was a good amount to report on. He advised that the sales taxes were up about half a million dollars. The Parish would be receiving twenty-seven million dollars from the American Rescue Act. Broadband would be included in this. Jennifer Meyers, Finance Director is requesting for a submission of roads or areas that are in need of this service so they may put together a plan. In addition, Administration would be scheduling a meeting with Parish President Robbie Miller from Tangipahoa Parish to work together on the broadband project that would include five parishes.

Councilman Delatte had spoken with Ms. Meyers after the committee meeting to inquire how these funds would be distributed. Ms. Meyers advised that the funds would be coming straight to Livingston Parish. However, the funds that are designated to municipalities, will be distributed by the Governor's office.

Councilman Ard advised that Ms. Meyers reported that the audit had been completed and that the Council should be receiving those results soon.

Councilman Ard called upon Councilman Shane Mack to discuss an invoice received from Alvin Fairburn and Associates for services applied to mapping and compiling the legal meets and bounds for the newly created Gravity Drainage District No. 8. Councilman Mack requested that the Councilmembers support Administration adjusting the budget to pay for the invoice received in the amount of fifteen hundred dollars.

LPR NO. 21-178

MOTION was made by Randy Delatte and duly seconded by Tracy Girlinghouse to request payment be made to Alvin Fairburn and Associates for engineering fees and services rendered for the newly created Gravity Drainage District No. 8, that include mapping and compiling the legal meets and bounds for this district.

Upon being submitted to a vote, the vote thereon was as follows:

Thereupon the chair declared that the Motion had carried and was adopted.

The chair addressed agenda item number 22, "District Attorney's Report:", and called upon Mr. Brad Casio, who advised that there was nothing to report at that time.

The chair addressed agenda item number 23, "Councilmen's comments:". Councilman Shane Mack reported that the Holden Girls Softball team won the state championship again.

Councilman Randy Delatte wished to report that there were still some areas that were flooded in his district and he wished to commend Administration for their great efforts and assistance.

Councilman Maurice "Scooter" Keen wished to encourage everyone to observe the upcoming Memorial Day holiday.

Having no further business, a motion to adjourn was requested until the next regular meeting being scheduled on Thursday, June 10, 2021, at the hour of six o'clock (6:00) p.m. in Livingston, Louisiana.

LPR NO. 21-179

MOTION was offered by multiple motions and duly seconded by multiple motions to adjourn the May 27, 2021 regular meeting of the Livingston Parish Council.
