- a. Adopt a resolution to authorize the Parish President to sign as intervenor on an act of sale for Lot 14 in Country Club Terrace Subdivision to enable DOTD to move forward with the roundabout project at LA Highway 1026 and Eden Church Road

Parish President Layton Ricks addressed the Council members and requested the adoption of a resolution authorizing him to sign as an intervenor on active sale between DOTD and the property owner. He advised that the agreement states that the Parish does not intend to pursue servitude rights on lot 14, located at 1026 and Eden Church Road. He explained that apparently back in 1956 there was some servitude done that sold some of the right of way. After research, no documentation has been found. He suggested that possibly when the road was done through there, it was widened and overlaid, because at that particular time, it was a little gravel road. He offered that the servitude that the Parish did have at that time, is underneath all of that. He explained that they did not wish to hold them up and seek approval to sign it over so that they can move forward with the roundabout.

LPR NO. 22-418

MOTION was made by Maurice “Scooter” Keen and duly seconded by Shane Mack to authorize the Parish President to sign as intervenor on an act of sale for Lot 14 in Country Club Terrace Subdivision to enable the Louisiana Department of Transportation and Development to move forward with the roundabout project at Louisiana Highway 1026 and Eden Church Road as follows:

Councilman Jeff Ard wished to be the first one to tell the Parish President thank you for leaving the Parish in a better position than what it was when he took it over and he definitely helped the Parish take a step forward. Thereupon the chair declared that the Motion had carried and was adopted.

The chair called upon Parish Legal Counsel, Mr. Chris Moody who wished to speak about agenda item 21 before Mr. Harrell left the Council chambers.

The chair addressed agenda item 21, “Grant waiver to Mack Industries to operate gravel mine with the contingency that the waiver is for H&H Study for one (1) year located in Council District 2”, and called upon Councilman Garry Talbert. Councilman Talbert explained what the study was needed for and wished to change his one (1) year waiver contingency to six (6) months, if on June 30th they do not have their H&H study completed, then revoke their operating permit. He continued to discuss the project in detail.

Councilmembers’ input: Councilman Randy Delatte
Councilman Jeff Ard

The chair asked Mr. Moody if the Council had the authority to grant a waiver on FEMA’s regulations?

Mr. Moody advised that yes, that was of his concern. He questioned if FEMA issued a permit and gave his understanding and knowledge of FEMA’s process. He felt that the Parish would be taking a chance and that’s why he would like to get Mark Harrell’s opinion about the FEMA position.

Mr. Harrell questioned if the “no rise” certification had been received.

 Councilwoman Erin Sandefur
 Councilman Jeff Ard

Councilman Garry Talbert requested to amend his motion. He stated that he wanted to make the motion to, on 125-52D5, that in lieu of a resubmittal, they have the option of coming to the Council for a waiver, and on 125-68B5, in lieu of making a resubmittal to the Planning Commission, they have the option to come to the Council for a waiver, and then on 117-50, as worded.

Many of the Councilmembers had questions on this motion.

Councilman Talbert advised Councilman Mack that the motion is that if a developer needs to reduce the number of lots before they have to resubmit, they have the option of asking the Council for a waiver on the reduction of lots to improve drainage, and that is on subdivisions without improvements and they also on subdivisions with improvements, if there's a reduction of lots, before they have to make a resubmittal, they have the option to come to the Council and ask for a waiver before they have to make a resubmittal, and then 117-50 is as worded, which basically says, zoning don't effect designs.

Councilman Mack wished to clarify that the vote was to amend the introduced ordinance.

The chair called for the vote and stated that they were voting on the motion made by Councilman Talbert to amend the ordinance.

LPR NO. 22-428

MOTION was made by Garry Talbert and duly seconded by Maurice "Scooter" Keen to amend L.P. Ordinance 22-57 on 125-52D5, that in lieu of a resubmittal, they have the option of coming to the Council for a waiver, and on 125-68B5, in lieu of making a resubmittal to the Planning Commission, they have the option to come to the Council for a waiver, and then on 117-50, as worded.

Upon being submitted to a vote, the vote thereon was as follows:

NAYS: MR. WASCOM, MR. MACK, MR. MCMORRIS, MR. DELATTE, MR. ARD,
 MS. SANDEFUR

ABSENT: MR. GIRLINGHOUSE

ABSTAIN: NONE

Thereupon the chair declared that the Motion had **FAILED** and was **NOT** adopted.

There was not a motion to adopt the original introduced ordinance. L.P. Ordinance No. 22-57 in its original introduced form as the amendment died for lack of a motion.

The chair addressed agenda item number 20, "Update and follow up report regarding the Parish's request for the State of Louisiana to replace two (2) culverts across LA Highway 63 – Randy Delatte".

Councilman Delatte explained that the Council had adopted a resolution a couple of months ago to request this work, and sent copies to the Legislative Delegation, along with the Governor and state DOTD. He stated that he had not received a response and asked if the Council office had received anything on this matter. He advised that his constituents were asking him about it, and he would like to follow up on it. He stated that the culverts had sunk so much of the road, it has now become a safety issue as well, not just a drainage hazard.

The Deputy clerk responded to advise that the letters were sent out by the Council office and they have not heard so we will follow up again on Monday with DOTD.

The chair addressed agenda item number 22, “Introduction of ordinance: Amend Section 125-1, “Definitions” by removing the verbiage “Section 125-13 and 125-14” to be replaced with “Sections 125-68 and 125-118” – Recommendation received from the Planning and Zoning Department”.

The chair called upon the Council clerk to read the proposed ordinance by title.

The Council clerk read the ordinance by title for introduction and set the public hearing as follows:

NOTICE OF INTRODUCTION OF ORDINANCE

NOTICE IS HEREBY GIVEN that the following entitled ordinance was introduced in writing in the form required for adoption at a meeting of the Parish Council of the Parish of Livingston, State of Louisiana, on December 8, 2022, and laid over for publication of notice:

AN ORDINANCE TO AMEND CHAPTER 125, “SUBDIVISION REGULATIONS”, ARTICLE I – “IN GENERAL”, BY AMENDING SECTION 125-1, “DEFINITIONS” THAT DEFINES THE TERM “SUBDIVISION”, PART FOUR (4), OF THE CODE OF ORDINANCES OF LIVINGSTON PARISH.

NOTICE IS HEREBY FURTHER GIVEN that the Parish Council of said Parish will meet on January 12, 2023, at six o’clock p.m., at the Governmental Building in the Parish Council Chambers, located at 20355 Government Boulevard, Livingston, Louisiana, at which time there will be a public hearing on the adoption of the aforesaid ordinance.

Having no further discussion, the chair moved to the next agenda item.

The chair addressed agenda item number 23, “Introduction of ordinance: Amend Commercial ordinance for the process on someone asking for a waiver/variance – Recommendation from the Planning and Zoning Department”.

The Deputy clerk advised that the Ordinance committee did not get to this ordinance.

The chair advised that this item would be tabled until the next meeting.

The chair addressed agenda item number 24, “Master Plan Review Committee Update Report and Committee Recommendation(s): Gerald Burns”.

The chair called upon Mr. Gerald Burns, chairman of the Master Plan Review committee. He advised that it had been a couple of years since the committee had updated their road priority list and the committee was requesting the Council to drop the Cook road Extension because that road is fully funded and under construction.

In addition, the committee has been in contact with many in the last two years requesting for federal and state funds to widen Florida Boulevard from Hatchell Lane to past Woodside Landfill. The committee recommended that this be included on the list as item number six. He discussed what the mileage of the project would be covering.

Mr. Burns advised that item fifteen was to add on 4-H Club Road westbound, on and off ramps. He explained that idea came out of the Master Plan committee based upon all of the developments proposed and approved by the Council and the Planning Commission and major developments on 4-H Club Road. He explained all of the benefits that this would have to relieve traffic congestion.

It was the request of the Master Plan Review Committee for the Council to adopt a resolution with an updated road list.

MOTION was made Shane Mack and duly seconded by Erin Sandefur to appoint Wendi Neal (resident of Council District 9) to fill the vacancy left by the resignation of Stephen Link (resident of Council District 9) of the Livingston Parish Library Board; this five (5) year term of appointment will expire on June 30, 2025.

Upon being submitted to a vote, the vote thereon was as follows:

Thereupon the chair declared that the Motion had carried and was adopted.

Councilman Garry Talbert questioned if Councilmember Sandefur could hold her position on the library board or does she need to resign?

Mr. Chris Moody, Parish Legal Counsel, advised that he thought that would violate the charter, but he stated that there had been a discussion about having her appointed as Parish President Ricks' designee to serve on the board. He questioned Councilmember Sandefur if that had been done yet. Since at that time, the Parish President had not yet made that appointment, Mr. Moody relayed that would be the plan that will happen soon, so they will avoid that problem. Councilman Randy Delatte questioned if that would still bring up a vacancy. The chairman agreed, and advised that she would have to appoint someone in her place.

Councilmember Erin Sandefur stated that it was her understanding, that as long as she was appointed, she could remain on the board, it's when she would be elected, so it would not be a problem until March.

Councilman Talbert questioned if that came from an AG's opinion.

Mr. Moody stated that it was not his opinion but there may be another opinion out there, or maybe a current AG's opinion that he was not aware of, but they could look at that.

Councilman Talbert questioned if they could figure out, as it was kind of splitting hairs, and stated that she was elected by this Council as a replacement for Mr. Harris. So he asked again, is she technically appointed or is she technically elected?

Mr. Moody advised that the Charter states that anyone who serves on the Council, cannot serve on any of your sub-boards. He did not think that it made any distinction. Mr. Moody stated that it would be a better process if Mr. Ricks appoints her, then she could nominate someone else to take her place and then she will stay on the board regardless.

Councilman Talbert asked, regardless, but the board has seven (7) board members, by state statute. He continued, if Mr. Ricks choose to appoint somebody, that doesn't grant eight (8) board members, there's still only (7) board members that can be appointed.

Mr. Moody advised that by state statute, the Parish President is an ex-officio member, and can attend and vote, and he also has the prerogative of nominating one (1) of the Councilmembers to go in his stead.

Councilman Talbert asked if that would allow for eight (8)?

Mr. Moody replied yes.

Councilman Talbert stated that he thought that the chairman of the Council was the ex-officio member and asked was he not correct?

Councilman Randy Delatte stated that was only on his committees.

Mr. Moody replied no, that was not on that board.

Councilman Talbert advised that he thought he read that on the state of the library board commission.

The chair directed the Councilmembers to move on to the next agenda item.

LPR NO. 22-437

MOTION was made Maurice “Scooter” Keen and duly seconded by Randy Delatte to reappoint Ms. Jerri Bankston (resident of Council District 1) to the Livingston Parish Airport District; whose five (5) year term of appointment will expire on January 1, 2028.

Upon being submitted to a vote, the vote thereon was as follows:

YEAS: MR. WASCOM, MR. MACK, MR. KEEN, MR. TALBERT, MR. MCMORRIS,
MR. DELATTE, MR. ARD, MS. SANDEFUR

NAYS: NONE

ABSENT: MR. GIRLINGHOUSE

ABSTAIN: NONE

Thereupon the chair declared that the Motion had carried and was adopted.

The chair addressed agenda item number 34a, “Committee Report(s): Finance committee”.

Councilman Maurice “Scooter” Keen, chairman of the Finance committee, advised that the committee had not met, but he did wish to report that he had received the sales tax collections for the road fund and different things, and it was up again. He acknowledged that the Council had adopted the budget earlier in the meeting and he stated that it looked well to be moving into the new year.

The chair addressed agenda item number 34b, “Committee Report(s): Ordinance committee: Recommendation(s) for Introduction of Ordinance(s):” and called upon Councilman Shane Mack.

Councilman Mack reported that they had a committee earlier before the Council meeting and discussed a lot of important things. He advised that the committee had discussed the zoning ordinance where it lists the classifications and the land use within those classifications and definitions. He indicated that they would be seeing modifications in the new future. They also discussed zoning maps and plans to start using the electronic Arcus map for looking up parcels so the public would be able to see how their property is classified.

The committee made a recommendation to introduce an ordinance to amend Section 125-176, Definitions-Mobile Home Park.

Councilman Mack explained the amendments that were presented. He advised that today, you are able to apply for multiple addresses on your property to place mobile homes. This proposed amendment would be changing the placement of three (3) mobile homes on the same tract of property to one (1) mobile home. If you wished to have more than one (1) mobile home, then the property would need to be subdivided. He encouraged everyone to review the ordinance for discussion

The chair called upon the Council clerk to read the proposed ordinance by title.

The Council clerk read the ordinance by title for introduction and set the public hearing as follows:

NOTICE OF INTRODUCTION OF ORDINANCE

NOTICE IS HEREBY GIVEN that the following entitled ordinance was introduced in writing in the form required for adoption at a meeting of the Parish Council of the Parish of Livingston, State of Louisiana, on December 8, 2022, and laid over for publication of notice:
