The chair addressed agenda addendum item number A-1, “Discussion and Enquiry of Administration’s Notice of Contract Termination of Steve Irving, who was engaged on May 25, 2023 (LPR NO. 23-229) by the Livingston Parish Council to provide Legal Services as the Parish’s Planning and Zoning attorney, to advise regarding the adoption and implementation of Zoning and Land Use Planning – Randy Delatte”.

Councilman Randy Delatte wished to call Mr. Steve Irving to the podium and give the Councilmembers a quick synopsis of his background.

Mr. Irving greeted the Councilmembers as Councilman Delatte requested that Mr. Irving provide his background in the areas of land use or zoning, as well as a synopsis about his expert opinions and what exactly it is that he does.

Mr. Irving complied and advised that he had practiced law for almost forty-nine (49) years. He advised that in that forty-nine (49) years, he became involved in regulatory law, which is the general branch where Planning and Zoning fall, he then quickly became involved in the land use side of that, which entailed environmental permitting. He referred to lawsuit cases that he was a part of and their importance to Planning and Zoning.

Councilman Delatte stated that Mr. Irving seemed well qualified and asked him what was his understanding of who had hired him in Livingston Parish.

Mr. Irving advised that he had been approached by the Livingston Parish Council, who had received several recommendations, and they all were to come and see him. He stated that they were interested in hiring him to help them with zoning specifically, and zoning issues. It was Mr. Irving’s understanding that the Livingston Parish Council hired him.

Councilman Delatte asked Mr. Irving if Mr. Ricks or Mr. Moody ever told him that he could not speak to the Council?

Mr. Irving advised that Mr. Ricks actually did in the termination letter, and it advised that he had stated that in his original interview with him. Mr. Irving stated that he did not remember that it happened that way. He admitted that if speaking to the Councilmembers was prohibited, he was flagrantly guilty because he has answered questions for every one of the Councilmembers that has asked.

Mr. Irving stated that he had issued three (3) zoning opinions to the Council, which was before his contract was ever signed. His understanding was that those opinions would be circulated to the Council.

Mr. Irving discussed in detail several events that had transpired concerning his candid and independent advice. He answered questions from Councilman Delatte.

Mr. Irving had written a response to the Parish President’s termination letter. The Council did not receive this, and Mr. Irving had several copies which he wished to share and distributed to the Councilmembers. Mr. Irving continued to discuss his job duties and the actions that he had taken to help the Livingston Parish Council to implement zoning correctly in the Parish.

Councilman Delatte stated that he did not vote to fire Mr. Irving and requested an opinion from Mr. Brad Cascio, Parish Legal Advisor.

Mr. Cascio stated that it was his understanding that the Parish President as the Administrator, has the authority to sign contracts and sign checks. He further stated that it was his understanding that he can choose to fire or not renew a contract. He advised that if the Councilmembers had a specific

purpose to rehire Mr. Irving, by all means they could vote on it and quoted the section from the Home Rule Charter that allowed that.

There was an open discussion about the Council’s authority in regard to hiring employees and contractors.

Councilman Randy Delatte stated that he wished to make a motion to rehire Mr. Irving to finish helping the Livingston Parish Council with legal matters to get zoning in Livingston Parish to protect and help the residents that live here now.

Mr. Irving suggested that they could add and make it clear, that he was allowed to advise the Council. Councilwoman Erin Sandefur stated that she wished to make a second to that motion.

The chair allowed the Councilmembers to ask Mr. Irving questions.

 An ordinance to adopt a Parish-wide moratorium prohibiting the submittal of any applications for a preliminary plat for a subdivision with improvements for period of one hundred twenty (120) days or until the adoption of an updated zoning ordinance (whichever occurs first) – Jeff Ard

Councilman Jeff Ard explained the proposed ordinance and advised that the Parish’s Planning Professional wrote this ordinance.

The chair requested for the Deputy clerk to read the proposed ordinance by title:

L. P. ORDINANCE NO. 23-30

AN ORDINANCE TO ADOPT A PARISH-WIDE MORATORIUM PROHIBITING THE SUBMITTAL OF ANY APPLICATIONS FOR A PRELIMINARY PLAT FOR A SUBDIVISION WITH IMPROVEMENTS FOR PERIOD OF ONE HUNDRED TWENTY (120) DAYS OR UNTIL THE

ADOPTION OF AN UPDATED ZONING ORDINANCE (WHICHEVER OCCURS FIRST).

Public input: Sarah Phares
Rebecca Roberts

Councilman Jeff Ard read a letter from Mr. Villavaso, Parish Planning Professional, responding to the question if this proposed ordinance would be held to Multi-Family and apartments:

If any residential project needs a resubdivision, plat amendment, infrastructure improvement approval this moratorium will apply. The only exceptions are an individual residential lot structure and all non-residential projects (Example: commercial, industrial uses). From a planner's perspective, this includes all forms of residential, including multi-family if it needs a resubdivision, plat amendment, infrastructure approval, except single structures.

Councilwoman Erin Sandefur read aloud a letter from Mr. Chris Moody t the Council submitted last July:

"There is also no newspaper advertisement for this particular development and others. First, Planning Commission plat approval was in 2022 on that said development; if so the approval would be a nullity and I suggest that they would have to start over. The lack of that advertisement is sadly lethal to the approval of the plat. If the Council tries to ignore the fact that the preliminary plats are legally invalid, we are opening ourselves up to another lawsuit by the citizens of the Parish to challenge that action. They have already won one lawsuit in our district court. One more thing, Tracy and Jeff, if you did not put ads in the newspaper to create your zoning maps, your zoning maps have the same fatal flaw that..."

Councilwoman Erin Sandefur: "Mine are accused of having as Chris Moody put it in the letter."

Councilmembers' input: Councilwoman Erin Sandefur
Councilman Garry Talbert
Councilman Shane Mack
Councilman Randy Delatte

The chair called for the vote.

The chair addressed agenda addendum item number, A-4: “Adopt a resolution granting two (2) waivers for Section 125-37 (4), “Requirements for Minor Subdivisions”, and Section 125-126 (b) & (c), “Wetland Regulations; Prohibited and Permitted Uses”, for Malcolm Ray and Holly Forbes located off of Bebe Lane in Council District 8 (deferred from the June 8, 2023 regular meeting of the Livingston Parish Council as requested by the property owners) – Randy Delatte”.

Public input: Seth Mosby, surveyor of the request

Mr. Seth Mosby addressed the Councilmembers and advised that this is two (2) families that want to give land to their children. They want to share the cost of building the road. Mr. Mosby advised that they were requesting a waiver for the forty (40') servitude because they have sheds located by the property line and cannot abide by the sixty (60) foot requirement. A waiver is also being requested on the wetlands letter because they felt that as family property, wetlands is a non-issue.

Councilmembers' input: Councilman Tracy Girlinghouse
 Councilman Randy Delatte

The chair opened the Public Hearing and asked if there was anyone who wished to speak for or against this proposed ordinance. Having none, the chair closed the Public Hearing.

Councilman Garry Talbert wished to ask Councilman Shane Mack about the amendment to the proposed ordinance in regard to 21(c), that would state that the waiver did not have to be filed at the Clerk of Court's office.

Councilman Shane Mack acknowledged that he was supposed to discuss this with Mr. Sam Digirolamo, Planning Director, and was not able to. He advised that this is a totally different group of wording that affects a different type tower.

Councilman Talbert stated that "21" was still in there, and he wished to offer an amendment on "21" that if waivers are given to the adjacent property, that it does not have to be filed.

(21) No tower shall be constructed within a horizontal distance equal to one hundred (100%) percent of the tower height, plus thirty (30') feet, from adjacent property lines.

~~If waivers are given by adjacent property owners, the signed waiver must be presented to the Planning Commission when the preliminary plat is submitted. Such waivers shall be filed at the Livingston Parish Clerk of Court's office and proof of its filing shall be submitted to the Planning Department with the final plat for approval.~~

Councilman Shane Mack, Ordinance committee chairman, advised that the addition to the ordinance in regard to waivers filed at the Clerk of Court's office would be introduced at a later date.

LPR NO. 23-340

MOTION was made by Garry Talbert and duly seconded by Jeff Ard to amend proposed L.P. Ordinance No. 23-28 by striking the addition to Section 130-1(21), "Regulation of Telecommunication Towers" as follows:

Councilmembers’ input: Councilman Garry Talbert

Thereupon the chair declared that the Motion had been carried and was adopted on the 10th day of August, 2023.

Councilman Garry Talbert questioned Councilman Randy Delatte. He advised that they’ve done it, 17c and 18 were the same map, did they need to change the zoning before they could do that?

Councilman Delatte requested that Billy Taylor of McLin Taylor, Inc.; Engineering and Land Surveying address this question.

Mr. Taylor addressed the Councilmembers and advised that this is two (2) separate issues. One is the zoning because it is Agricultural and the property owner is trying to give an acre to her son. He indicated that it needs to be rezoned to the zoning classification that allows for one (1) acre. Secondly, the issue is the number of lots on a servitude.

Councilman Talbert clarified that the Council granted the waiver, but the property owner cannot give the property to her son until the zoning is correct. Mr. Taylor concurred, and stated that this resolution for the waiver still needs to be done for the entirety of the donation of property.

The chair addressed agenda item number 19, “Adopt a resolution to authorize a waiver of the R-2 zoning classifications, Section 117-156(a), “Permitted Uses”, to place mobile homes on three (3) lots at parcel #0284588, addressed at 30500 Lee Drive, Walker, LA for Zachary Riggins/Riggins REPAM, LLC in Council District 7” and called upon Councilman Tracy Girlinghouse.

Councilman Girlinghouse explained that this property is already subdivided and each lot has a little less than an acre and is currently zoned at R-2. The property owner wishes to put a mobile home on these three (3) lots which have already been subdivided. He further explained that the R-2 classifications doesn’t say that you can place mobile homes on this classification, but it doesn’t say that you cannot.
