The chair addressed agenda item number 8, “Discussion of school impact fees – Ron McMorris”, and advised that this was a request that had been generated from an elected official in the Parish, Mr. Ron McMorris, who had requested to be placed on the agenda. He called upon Mr. McMorris to address the Councilmembers with what he wished to speak about in regard to school impact fees.

Mr. McMorris discussed the relevance and need for school impact fees in Livingston Parish.

Councilmembers’ input: Councilman Tracy Girlinghouse

Mr. Brad Cascio, Parish Legal Advisor, wished to advise Mr. McMorris that in 2021, he had prepared a lot of research on this subject for the Council, and he would be more than happy to share that research with Mr. McMorris. He stated that he did not think that it was a bad idea, however, there is a lot of ways that it can go wrong if it is not implemented the right way.

Councilmembers’ input: Councilman Shane Mack

Mr. Morris stated that he wished to note that he was not up here representing the school board that evening, he was Dr. Ron McMorris representing himself, and just happens to be a school board member.

The chair asked Mr. Morris is he would reach out to the Parish’s attorney and get a plan together and bring it back up at a later time.

Councilmembers’ input: Councilman Gerald McMorris
Councilman Shane Mack
Councilman Maurice “Scooter” Keen

The chair addressed agenda item number 9, “Adopt the Minutes of the August 10, 2023 regular meeting of the Livingston Parish Council”.

The Council clerk requested that this item be deferred until the next Council meeting as the minutes needed to be emailed to the Councilmembers for their review before their adoption.

The chair addressed agenda item number 10a, “Parish Presidents Report:
a. Childhood Hunger Awareness Day Proclamation”

The chair read the proclamation as follows:

Childhood Hunger Awareness Day

WHEREAS, statistics are that 1 in 5 children in the United States goes to school hungry; and

WHEREAS, 35 percent of households in Denham Springs live on \$35,000 or less annually; and

WHEREAS, statistics like these moved a prayer group of moms praying for their children, friends, teachers and mentors to turn their thoughts and prayers to ways they could help children and families in their community; and

WHEREAS, in 2010, these moms founded Mighty Moms, a nonprofit organization on a mission to see every child in Livingston Parish graduate with a full mind and a full tummy; and

WHEREAS, the Full Tummy Program started in 2010 to provide weekend meals and snack to children who may not always have food at home; and

WHEREAS, in 2022, Mighty Moms started its newest program, Feeding Young Minds, to not only reach children, but impact their families as well. This program provides monthly family meal kit boxes that feed the minds, bodies, and family culture of food-insecure children in Livingston Parish; and

WHEREAS, today, this 501(c)3 organization continues to provide food and hygiene for children in our community through programs like those above as well as the Food Pantry.

NOW, THEREFORE, I, Layton Ricks, Livingston Parish President, in recognition of the commitment, faith and love of Mighty Moms, do hereby proclaim

Layton Ricks, Parish President
Parish of Livingston
State of Louisiana

A representative from Mighty Moms addressed the Councilmembers and wished to thank them for their support. She advised that this September, they have been able to go into the schools after President Ricks started doing the proclamation for their organization, and that gave them an opportunity to spend the entire week in the schools. She explained how they read a story about food insecurity to the elementary children, and this gives them an opportunity to have understanding being on both sides of it.

She continued to thank the Councilmembers for their support and noted that Livingston Parish is a community that cares and she was proud to live in Livingston Parish. She stated that they are feeding the future leaders of Livingston Parish, and did not want anyone to forget that.

The Councilmembers and the audience applauded her statements.

The chair addressed agenda item number 10b, “Adopt a resolution giving authority to the Livingston Parish President to sign the West Colyell Bridge Replacement DOTD Agreement for Project Number SPN H.015355 and the scope of services”.

The chair explained that the Council has already approved this. It is an MPO project with an eighty (80) twenty (20) match. This has already been voted upon. He advised that they are removing a timber bridge and replacing it with concrete, but when it was passed in June, it needed certain wording in the resolution. Parish Review Engineer, Chad Bacas, requested that the project number, SPN H.015355, be included in the resolution.

Thereupon the Chair declared that the Motion had been carried and was adopted on August 24, 2023.

The chair addressed agenda addendum item number 14, "Public Hearing and Adoption of L.P. Ordinance 23-30: Adopting a Parish-wide Moratorium Prohibiting the Submittal of any Applications for a Pre-liminary Plat for a Subdivision With Improvements for a Period of 120 Days

- a. Ordinance Committee Recommendations for Amendments/Vote to Adopt Amendments
- b. Adopt ordinance as amended"

The chair called upon Councilman Jeff Ard and stated that he had put this ordinance together. Councilman Ard wished to convey and maintain that he did not put this ordinance together, it was the Parish's Planning Professional, Mr. Stephen Villavaso who put this together. The chair stated that Councilman Ard had introduced the ordinance, to which he concurred.

The chair opened the Public Hearing and asked if there was anyone who wished to speak for or against this one hundred twenty (120) day moratorium.

Councilman Ard wished to state that the Council needed to discuss a few changes to be made to the proposed ordinance.

Having no one who wished to speak on this item, the chair directed the Council clerk to read the ordinance by title as follows:

L.P. ORDINANCE NO. 23-30

AN ORDINANCE TO ADOPT A PARISH-WIDE MORATORIUM PROHIBITING THE STAGE I PRE-LIMINARY MEETING OF ANY APPLICATIONS FOR A PRELIMINARY PLAT FOR A SUBDIVISION WITH IMPROVEMENTS, A SUBDIVISION WITHOUT IMPROVEMENTS AND MULTI-FAMILY DEVELOPMENTS FOR PERIOD OF ONE HUNDRED SIXTY (160) DAYS OR UNTIL THE ADOPTION OF AN UPDATED ZONING ORDINANCE (WHICHEVER OCCURS FIRST).

Councilman Ard advised that in the Ordinance committee they had discussed amendments to this ordinance. He stated that the time frame of one hundred and twenty (120) days would not get them into the next year for the next Council and it was determined that one hundred and sixty (160) days. He stated that on the submittals, it was amended to "Stage I Pre-liminary meeting". He further stated that they would be doing subdivisions without improvements and multi-family developments will be added. The ordinance would also be effective upon adoption.

Amendments to the proposed ordinance are as follows:

Councilman Shane Mack wished to state that during the Ordinance committee that was held to discuss these amendments, Councilman Garry Talbert and Parish Road Engineer, Mr. Billy Taylor had suggested that the submittal wording be changed to Stage I Pre-liminary meetings.

Councilman Gerald McMorris asked preliminary one means what?

Councilman Jeff Ard stated that they would have to go in and have their meeting with Planning. Councilman Shane Mack concurred and explained that part of the process to develop a piece of property is the first step of the process is to have a Stage I Pre-liminary meeting with the Planning Director and the Planning Department.

Councilman Mack explained that his interpretation as it is worded with the new amendment, is that if you have not had this Stage I Pre-liminary meeting, you will not be able to move forward with your development until after the moratorium is lifted.
