And the ordinance was declared adopted on the 9th day of November 2023.

(The above and foregoing ordinance, upon final approval by the President, or the Council in case of veto by the President, shall be published in full in the Official Journal by the Clerk of the Council within fifteen (15) days of its adoption and shall be recorded in full in the Livingston Parish Council Ordinance Book No. 5)

The chair addressed agenda item number 16, “Public Hearing and adoption of L.P. Ordinance No. 23-40: Camping in a public area prohibited – Erin Sandefur”.

The chair directed the Council clerk to read the ordinance by title as follows:

L.P. ORDINANCE 23-40

AN ORDINANCE TO AMEND CHAPTER 50, “OFFENSES – MISCELLANEOUS” REGULATIONS”, BY CREATING SECTION 50 – 17, “CAMPING IN A PUBLIC AREA PROHIBITED”, OF THE CODE OF ORDINANCES IN AND FOR THE PARISH OF

LIVINGSTON AS SET OUT MORE SPECIFICALLY HEREIN.

The chair declared the opening of the Public Hearing. He asked if there was anyone present who wished to speak for or against this proposed ordinance. None being, he closed the Public Hearing.

Councilman McMorris wished to clarify what areas were considered public. Councilman Sandefur stated that it was public property, she was not referencing overpasses. She clarified public property, public parks, and again reiterated, public property.

Councilman Talbert stated that he had a question. How many homeless shelters did they have in Livingston Parish?

The chair asked if Mr. Talbert knew the answer to this question, or was it a rhetorical question?

Councilman Talbert stated that he did not know. He said that he was curious, and does anybody know do we have a homeless shelter in the Parish, do we have a bed for a homeless person in Livingston Parish?

He stated, so we are going to criminalize being homeless in Livingston Parish.

Councilwoman Sandefur countered Councilman Talbert's statements and called for point of order.

She stated that this was not about the homeless and asked where did he come up with that?

Councilman Talbert stated, so because in the last meeting that's what, you're because in the last meeting when you said people were sleeping under the interstate, it was a problem, that's what we were addressing. That was your words at the meeting when Randy asked was this something that was urgent and your words were, we got people sleeping on the interstate, we are addressing homeless people. Councilwoman Sandefur stated that no, Councilman Talbert was addressing homeless people. He said that I just think until we have a solution for homelessness, we don't need to criminalize people having a place to sleep outside. He stated that was his feeling.

Councilwoman Sandefur reiterated that no one was criminalizing that.

The chair called upon Councilman Randy Delatte stated that the ordinance that he read did not have anything to do with homeless people. He stated that it had to do with parking and RVs and tents and camping. He stated that such things happen all over the United States and that laws have to be passed to keep public safe. He wished to proudly second this motion to the ordinance that had been previously introduced by Councilwoman Sandefur.

LPR NO. 23-461

The following ordinance which was previously introduced in written form required for adoption at a regular meeting of the Livingston Parish Council on October 26, 2023, a summary thereof having been published in the Official Journal together with a notice of public hearing which was held in accordance with said public notice, was brought up for final passage on November 9, 2023, on Motion of Erin Sandefur and seconded by Randy Delatte:

The chair addressed agenda item number 17, “Adopt a resolution:

- a. Grant a density waiver of re-subdivision of two (2) lots into three (3) lots, necessitating a waiver of Section 125-1 (definition of lot, restricting density not to exceed 2.5 lots per acre) for “J.F. McCarroll Subdivision” located in Council District 9 – Shane Mack
- b. Grant a waiver of Section 125-51(e), “Submittals,” to subdivide two (2) tracts (0.936 acres) into three (3) tracts – CS-2-A (0.322 acres), CS-2-B (0.313 acres), and CS-2-C (0.301 acres) tracts in a named subdivision (J.F. McCarroll Subdivision) located at 29693 Oak Street, Holden, LA 70744 for Parcel #0638288 and #06382288C in Council District 9 – Shane Mack”

The chair called upon Councilman Mack who explained that there were two (2) waiver requests being presented to the Council members. The first being that the property owners needed to resubdivide in a named subdivision, and the second being requested was for a density waiver.

The chair asked if Councilman Mack wished to take them up at the same time or separately? Councilman Mack stated that he would like to take them up at the same time and he wished to make the motion to grant these two (2) waiver requests.

Councilman Mack asked the Council members to take notice that this property in question is located on a public road and is approximately three hundred feet (300) wide. He reported that it was currently two (2) lots at that time, and the property owners wish to make it three (3) lots being one hundred (100) feet wide. He further stated that it was his understanding that they wished to place houses there.

LPR NO. 23-462

MOTION was offered by Shane Mack and duly seconded by Gerald McMorris to authorize and grant approval for the following two (2) waivers:

The chair addressed agenda item number 18, “Adopt resolution to authorize a waiver of Section “125-176, “Definitions” to allow a second address on a (0.694) acre tract for Victor Caldera being located on 28282 Hano Lane, Holden, La 70744 in Council District 9 – Shane Mack”

Councilman Mack stated that this was for a second address for a family member, but he thought that the acreage was incorrect as he thought it to be 1.459 acres and there’s already a mobile home

on Hano Road. They wanted to put another mobile home on the property for a family member. They wished to have two (2) meters and two (2) addresses.

Councilman Delatte wished to question if Councilman Mack had stated that this was for an acre and a half of property to which Councilman Mack concurred.

The chair asked if the motion would be to allow a second address on the parcel of property. Councilman Mack agreed, and he also wished to state the gentleman's name: "Myra Alexandra Caldera" to which the second address was needed. Victor Caldera was the owner of the first address on the property.

LPR NO. 23-463

MOTION was offered by Shane Mack and duly seconded by Randy Delatte to authorize a waiver of Section "125-176, "Definitions" to allow a second address on a (0.694) acre tract for Victor Caldera and Myra Alexandra Caldera, being located on 28282 Hano Lane, Holden, La 70744 in Council District 9.

Thereupon the chair declared that the Motion had been carried and was adopted on the 9th day of November 2023.

The chair addressed agenda item number 19, "Adopt a waiver for Ramona James – Located in Section 46 of T5S-R2E East of St. Helena Meridian Greensburg Land District – Parish of Livingston, on Bend Road in Council District 2: Section 125-37(6), "Requirements for Minor Subdivisions"– District 2 – Garry Talbert".

The chair called upon Councilman Talbert who stated that this had already come before the Council before, and that it was a thirty-acre tract made up of three, ten-acre tracts. The front ten-acre tracts were cut into three(3) lots, the second ten-acre tract was cut into six (6) lots, and the third ten-acre tract were cut into four (4). He further stated that basically, we gave what we thought were the waivers that were required and then at a later date, Planning determined that it needed another waiver because there was thirteen (13) lots, and it became a minor re-sub, or became too many lots for minor re-sub, even though they are subdividing three (3) separate lots. He continued to state that because they are putting them on the same map, they're saying that it needs an additional waiver.

Councilman Randy Delatte stated that he wished to second Mr. Talbert's motion.

Councilman Talbert explained that the waiver is to waiver as they, as Natalie says, they need a waiver of 125-37.

The chair asked Councilman Talbert if that was the motion?

Councilman Talbert affirmed that was the motion. Councilman Randy Delatte seconded that motion.

The Council clerk requested to speak and advised that their office had spoke with the Planning office earlier that day, and like Mr. Talbert has stated, they want the entirety of the ordinance.

Councilman Talbert declared that is what he just said, 125-37.

The Council clerk wished for the Council members to realize what they were voting to approve.

Before the vote, Councilman Mack wished to ask if there were any drainage problems on that property? In to which Councilman Talbert silently shook his head “no”. This prompted Councilman Mack to vote in the affirmative to approve. Councilman Maurice “Scooter” Keen concurred that Councilman Mack had asked a good question.

LPR NO. 23-464

MOTION was offered by Garry Talbert and duly seconded by Randy Delatte to authorize a waiver of the entirety of Section 125-37, “Requirements for Minor Subdivisions” of the Livingston Parish Code of Ordinances, *(as verified verbally during the meeting by the Council clerk for accuracy of the vote)* for Ramona James being located in Section 46 of T5S-R2E; East of St. Helena; Meridian; Greensburg Land District, Parish of Livingston, on Bend Road in Council District 2.

The chair addressed agenda item number 20, “Adopt a resolution to authorize a waiver for the setback requirements for a mobile home for Sharon Clark – (R-3) – located at 33598 Foxboro Loop in Council District 2 – Garry Talbert”.

The chair called upon Councilman Talbert who stated, so Miss Clark is trying to move in a new trailer to replace one destroyed in 2016. The issue is, that the existing trailer is too close to the road so there is a problem with the setback on the road and he’s requesting to waive the setback because they are going to put another trailer in the same spot that the trailer that was destroyed in 16 is located. He explained that it was a setback on the road setback on Foxboro Loop. Councilman Talbert further stated that I am requesting the waiver. Councilman Maurice “Scooter” Keen wished to second that motion.

Councilman Keen stated that Mrs. Ginger Sullivan had contacted him and advised that they were living on the property now, but they wanted to divide it into three (3) pieces and have separate property before they die to their kids, so they just want to waive the sign because nothing is changing whatsoever.

Councilwoman Sandefur stated that they had ran out of addresses on the road and therefore had to extend it. She surmised that this was much needed.

The chair wished to clarify that they were requesting to extend the road and name it? To which Councilwoman Sandefur concurred.

The chair called upon Councilwoman Erin Sandefur who wished to make a motion to this agenda item. The chair requested that she explain this item.

Councilwoman Sandefur stated that they have discussed this as a Council several times. She further explained that they were having issues with the Dollar General stores throughout the parish, such as not cleaning up outside of the building, not keeping up with yard maintenance, litter everywhere. She stated that they have received complaints and she thought other Council are having issues. The chair stated that the Parish legal advisor, Mr. Christopher Moody, wanted the Council members to pass this agenda item. Councilwoman Sandefur concurred and stated that there was one (1) in particular that he’s writing in her district that has sewerage issues, there are fence violations that mandate eight (8) foot fence requirements, etc. and she wished to make the motion. Councilman Maruice “Scooter” Keen stated that we all got that.

LPR NO. 23-468

MOTION was offered by Erin Sandefur and duly seconded by Maurice “Scooter” Keen to give authorization and approval to the Parish Legal Advisor, Mr. Christopher Moody, to write two (2) letters on behalf of the Livingston Parish Council to address the violations and issues regarding the Dollar General Store(s) throughout Livingston Parish.

Thereupon the chair declared that the Motion had been carried and was adopted on the 9th day of November 2023.

Councilman Garry Talbert wished to further state after the vote: I’m going to tell ya’ll, he did not know if they remembered that they had a problem in Watson and asked if they remembered when the preliminary plats used to come to them? Just defer preliminary plat thirty (30) days. You can get every Dollar General cleaned up in the whole Parish.

The chair addressed agenda item number 24, “Deer Run Deer Run settlement agreement discussion – Erin Sandefur”, and contemplated skipping agenda item number 24 at that time and go straight to item 25.

Councilman Garry Talbert stated that item 25 was being pulled.

The chair restated Councilman Talbert’s statement that item 25, “Deer Run Zoning – Garry Talbert”, was being pulled.

Councilwoman Erin Sandefur interrupted and asked to “hold up” and pause on this action before going further.

Councilman Talbert stated that he was going to tell you, we, it’s being pulled, we don’t have enough with no votes, there no votes, not enough vote to pass it.

There was many who reacted to this statement made by Councilman Talbert.

The chair resumed composure of the audience, along with everyone else who had reactions to this statement.

Councilman Talbert stated that they did not have nine (9) people there. Councilwoman Sandefur responded and stated that did not matter.

The chair asked if Councilwoman Sandefur wished to return back to item 24, “Deer Run”? She stated that she did want to talk about Deer Run. The chair stated that the item on the agenda was “Deer Run settlement discussion” that she had placed on the agenda?

Councilman Randy Delatte asked for clarification if they were discussing agenda item 24 or 25?

The chair clarified that they were discussing agenda item 24.

Councilwoman Sandefur disagreed and stated that she wanted to take up agenda item 25.

Councilman Garry Talbert advised her, okay, go ahead and take it up. He further stated that 25 actually is an addendum, they didn’t put it in right, so there was an addendum to address 25. He indicated that there were seven (7) particular items.

The chair gained the floor and stated that Mr. Talbert put it on the agenda, he’s asked to have it deferred. He asked if Councilwoman Sandefur wish to talk about that item?

Councilwoman Sandefur responded that yes, she did. She stated that she thought that his action was not okay, it is an abuse of power and she did not appreciate it. She stated that this was her district, she represented this district and the things that Councilman Talbert put on the addendum when this was requested, there was pending litigation. She further stated that she wished to get that straight. The second thing that she requested to do, was make a motion to authorize the chair and the clerk to keep this off of the agenda until after the new year per Council rules.

Councilman Randy Delatte stated that he wished to second that motion.

The chair restated the motion made by Councilwoman Erin Sandefur, to not let Deer Run come back to the Parish Council until after the new year and there was a second by Councilman Delatte.

Councilwoman Sandefur wished to restate the wording “new year” to “December 31st 2023”.

Councilman Talbert asked what Council rules allows that to happen?

Councilman Randy Delatte stated that when she stated per Council rules, it will become a Council rule, when she said “per Council rule”.

The chair stated that if passed that evening, it is a Council rule.

The chair advised that there had been a motion and a second and asked if there was any other discussion?

The chair called for the Council clerk to call for the vote and again stated that the motion made by Councilwoman Sandefur was to not allow Deer Run to come back to the Parish Council, to give the chair and the Council clerk the authority to keep it off until after the new year, being December 31st 2023, making this as per Council rule.

Councilman Maurice “Scooter” Keen wished to quantify his “NO” vote and stated that he was not going to be held in contempt of court for no reason.

LPR NO. 23-469

MOTION was offered by Erin Sandefur and duly seconded by Randy Delatte to not allow Deer Run to come back to the Parish Council, to give the chair and the Council clerk the authority to keep it off until after the new year, being December 31st 2023, making this as per Council rule.

Thereupon the chair declared that the Motion had been carried and was adopted on the 9th day of November 2023.

Councilwoman Sandefur announced that she wished to return back to her item, agenda item 24, “Deer Run settlement agreement discussion – Erin Sandefur”, and stated that she felt that she wanted to address the audience to explain why she had placed this item on the agenda. She instructed the audience that she needed the Parish attorney, Mr. Christopher Moody, present to discuss this item.

She wished to address the members of the audience to advise them that she was very mindful and respectful of their time, and the effort that it took for them to be present at the Council meeting that evening. She realized the hardships that it took to make accommodations to attend the Council meetings in person, and she was so sorry that she was going to have to pull her agenda item because the discussion that needed to take place, needed to happen in the presence of Mr. Moody. She once again stated her apologies to them.

The chair stated that agenda item 24 was hereby removed from the agenda.

The chair addressed agenda item number 26, “Adopt a resolution to request an Attorney General’s opinion on the Pink Tax exemption – Randy Delatte”.

The chair called upon Councilman Randy Delatte who advised that he wished to ask for an Attorney General’s opinion on the Livingston Parish Pink Tax exemption. He explained that to do that, a vote of the Council is required for an Attorney General’s opinion. He stated that the attorney could also do this, but he preferred it to be done by a vote of the Council. Councilwoman Erin Sandefur stated that she wished to make the second to Councilman Delatte’s motion.

Councilwoman Sandefur asked to be allowed to speak when the chair called for discussion.

Councilwoman Sandefur advised that she had received the Parish Council monthly sales and use Road tax report and she asked if they would go back and look at when the pink tax was implemented in September. She advised that by reviewing this report in October, the road tax had suffered. She stated that the Parish did not take in as much as had been received the previous year, because that was what the pink tax had taken from.

Councilman Garry Talbert interrupted her and countered that he bet that Biden-omics took more than the pink tax.

Councilwoman Sandefur stated that she just wished to point that out upon her second to Councilman Randy Delatte’s motion.

Councilman Delatte stated that the other thing that he wished to point out that it gave a break not only to the residents of Livingston Parish, but also everyone who lived outside the state or the Parish that shopped through here, or bought gas or passed through here, or did anything else. He wished to state that it wasn’t just Livingston Parish residents that received this tax, it was anyone who shopped in the Parish.

Councilman Shane Mack wished for the chairman to clarify what the motion was that they were about to vote upon.

The chair stated that this will ask for a Council resolution asking for the Attorney General’s opinion on whether or not the pink tax was legal. He referred to Councilman Randy Delatte for further explanation.

Councilman Delatte stated that they needed as a board to find out if they can legally exempt the pink tax. He stated that the proposition that was voted on by the people was specific on what those exemptions were, and the pink tax was not included in that. He did not want to advise that they could not do it, he thought that it should go back to a vote of the people.

Councilman Shane Mack stated that he agreed with Councilman Delatte’s statements.

The chair asked the Council clerk to call for the vote.

LPR NO. 23-470

MOTION was offered by Randy Delatte and duly seconded by Erin Sandefur to ask the Louisiana Attorney General for an opinion on the legality of the pink tax exemption that was adopted by the Livingston Parish Council.

Councilman Delatte wished to clarify that he wanted to adopt a resolution stating that they would not adopt anymore additional zoning maps until the first of the year when the new council was there. Councilman Talbert interjected and asked, “by council rule”? Councilman Delatte replied “No, I didn’t say it that way.” The chair clarified that the districts currently zoned would stay so, and those are not, will need to wait until the new administration begins their new terms of office. A brief conversation ensued and the vote was taken.

LPR NO. 23-471

Thereupon the chair declared that the Motion had carried and was adopted on November 9, 2023.

The chair addressed agenda item number 29a, “Board (re)appointment(s)/Resignation(s): Gravity Drainage District No. 2” and called upon Councilman Garry Talbert.

Councilman Garry Talbert advised the chairman that he did not have anything that night. The chair asked if Councilman Talbert was pulling this item?

Councilman Talbert rejected the chair’s question and stated that he did not have any appointments that evening.

The chair moved to the next agenda item number 29b, “Board (re)appointment(s)/Resignation(s):Introduction of Ordinance: To Dissolve Recreation District 7 – Jeff Ard”.

Councilman Randy Delatte had spoken with Councilman Jeff Ard in his absence at that evening’s meeting about this item and recommended it’s introduction. The chair also offered a brief discussion as to why the dissolution of this recreation board was needed.

Councilman Gerald McMorris argued that there were two (2) parks and wanted discussion. Councilman Randy Delatte stated that if there was a need for discussion, he wished to relay what Councilman Jeff Ard had explained to him what actions were needed.

Councilman Ard had explained that since 2019, this recreation district had not met and there was “X” amount of money that they had accumulated. He further explained that he had approached Mr. Christopher Moody, Parish Legal Advisor, and Mr. Moody suggested that the Council members pass an ordinance that it comes back to Council and the Council decides what to do with the money.

Councilman McMorris again argued if it could be given to District 5 Community Park?

There was a brief open discussion and the ordinance was introduced.

The chair requested that the Council clerk read the ordinance by title as follows:

L.P. ORDINANCE NO. 23-41

AN ORDINANCE PROVIDING FOR THE DISSOLUTION OF
RECREATION DISTRICT NO. 7 OF THE PARISH OF
LIVINGSTON, STATE OF LOUISIANA, AND TO PROVIDE
FOR OTHER MATTERS IN CONNECTION THEREWITH.

LPR NO. 23-473

MOTION was offered by Randy Delatte and duly seconded by Gerald McMorris to publish the ordinance by title in the Official Journal in accordance with the legal mandates and set a Public Hearing for Thursday, November 30, 2023 at the hour of six o’clock (6:00) p.m. at the Parish Council Chambers in the Governmental Building located at 20355 Government Boulevard, Livingston, Louisiana, at which time comments will be received on the proposed ordinance prior to a Council vote.

Upon being submitted to a vote, the vote thereon was as follows:

YEAS: MR. MACK, MS. SANDEFUR, MR. WASCOM, MR. DELATTE, MR. MCMORRIS,
MR. TALBERT, MR. KEEN

NAYS: NONE

ABSENT: MR. ARD, MR. GIRLINGHOUSE

ABSTAIN: NONE

Thereupon the chair declared that the Motion had carried and was adopted on November 9, 2023.

The chair addressed agenda item number 30a, “Committee Report(s): Finance committee” and advised that they will be meeting on November 30, 2023.

The chair addressed agenda item number 30b, Committee Report(s): Ordinance committee: **Recommendation(s) of Ordinance(s) introduction(s):** Carbon Sequestration Ordinance, Amend Large Lot Subdivision definition” and called upon Councilman Shane Mack, Ordinance committee chairman.

Councilman Mack reported that the committee had met and had a couple of ordinances that they wished to recommend to the Livingston Parish Council to introduce.

He advised that they had discussed introducing an ordinance to enhance the legal descriptions of the reapportionment maps. He advised of the enhancements made by Alvin Fairburn and Associates to better describe boundary locations. He stated that this would be introduced at the next Council meeting on November 30th. The Council district maps are correct, but needed further detailed information to accurately represent the districts.

Councilman Mack discussed the proposed Carbon Sequestration ordinance. It was not ready to be introduced at that evening’s Council meeting, however, it will be introduced at the next Council meeting on November 30th and proposed to be adopted on December 14th.

He further continued that there were three (3) ordinances that he wished to present to the Council members that evening. If it was their wish, they could lift the agenda and introduce these ordinances that evening.

The first ordinance that he wished to present was modifications to large lot subdivisions. This would entail putting a cap on lots that will be allowed to be developed under the large lot subdivision regulations.

He felt that it would be legal for the Council members to vote to lift the agenda for all three (3) proposed ordinance introductions if they so choose.

The second ordinance introduction was zoning classifications and land use modifications. He acknowledged that several months ago the Ordinance committee had met and discussed enhancements to the zoning classifications and land uses, specifically modifications were made to R-1, R-1.5, R-2, and the zoning classification known as “unclassified”. He further discussed definitions that were put in place to help with clarifications that were needed.

The third ordinance recommendation was in reference to Class C Road acceptance criteria. He discussed verbiage that had been put in place in the ordinance that has since been deleted. This ordinance introduction would put correct reference to find that information correctly. There is no additions, or modifications to the actual verbiage or the criteria, it is a clerical error that needs to be fixed to find the correct criteria to be referenced correctly.

The chair stated that there had been a motion to lift the agenda to which Councilman Delatte wished to second and those items just discussed could be picked up individually.

LPR NO. 23-474

MOTION was offered by Shane Mack and duly seconded by Randy Delatte to lift the agenda to discuss ordinance introduction recommendations by the Ordinance committee to the members of the Livingston Parish Council.

Upon being submitted to a vote, the vote thereon was as follows:

YEAS: MR. MACK, MS. SANDEFUR, MR. WASCOM, MR. DELATTE, MR. MCMORRIS,
MR. KEEN

NAYS: MR. TALBERT

ABSENT: MR. ARD, MR. GIRLINGHOUSE

ABSTAIN: NONE

Thereupon the chair declared that the Motion had carried and was adopted on November 9, 2023.

The agenda could not be lifted because of the one (1) vote of Councilman Garry Talbert being “No”.

Councilman Randy Delatte stated that he would like to make a motion to lift the agenda again to remove item two (2) that Councilman Mack had requested in his previous motion to lift the agenda to introduce an ordinance for zoning classifications.

Councilman Delatte explained the urgency of this needed ordinance introduction. He stated that there are citizens who have purchased mobile homes and have not been able to move them off of the lots for two (2) months because the zoning classification for R-2 does not include mobile homes.

Public input: DeeDee Delatte, Building and Permit Director requested that the definition of unclassified be included because citizens are not allowed to do anything as well.

There was an open discussion and unclassified definition would not be included.

LPR NO. 23-475

MOTION was offered by Randy Delatte and duly seconded by Shane Mack to lift the agenda to discuss the ordinance introduction of amending R-2 to include mobile homes.

Upon being submitted to a vote, the vote thereon was as follows:

YEAS: MR. MACK, MS. SANDEFUR, MR. WASCOM, MR. DELATTE, MR. MCMORRIS,
MR. KEEN, MR. TALBERT

NAYS: NONE

ABSENT: MR. ARD, MR. GIRLINGHOUSE

ABSTAIN: NONE

Thereupon the chair declared that the Motion had carried and was adopted on November 9, 2023.

The chair requested that the Council clerk read the ordinance by title as follows:

L. P. ORDINANCE NO. 23-42

AN ORDINANCE TO AMEND CHAPTER 117, “ZONING”, DIVISION 4 – “(R-2) RESIDENTIAL – SINGLE FAMILY”, BY AMENDING SECTION 117-156, “PERMITTED USES” TO INCLUDE MOBILE/MANUFACTURED HOMES IN PART A, “ALLOWED USES”, OF THE CODE OF ORDINANCES OF LIVINGSTON PARISH.

There was no motion or second to introduce the ordinance. The chair advised that it was not needed.

The Council clerk will publish the ordinance by title in the Official Journal in accordance with the legal mandates and set a Public Hearing for Thursday, November 30, 2023 at the hour of six o’clock (6:00) p.m. at the Parish Council Chambers in the Governmental Building located at 20355 Government Boulevard, Livingston, Louisiana, at which time comments will be received on the proposed ordinance prior to a Council vote.

LPR NO. 23-476

MOTION was offered by Garry Talbert and duly seconded by Shane Mack to go back to the regular order of business of the agenda.

Upon being submitted to a vote, the vote thereon was as follows:

YEAS: MR. MACK, MS. SANDEFUR, MR. WASCOM, MR. DELATTE, MR. MCMORRIS,
MR. KEEN, MR. TALBERT

NAYS: NONE

ABSENT: MR. ARD, MR. GIRLINGHOUSE

ABSTAIN: NONE

Thereupon the chair declared that the Motion had carried and was adopted on November 9, 2023.

The chair advised that there were no District Attorney reports.

The chair asked if there were any Council members' comments:

Councilman Maurice "Scooter" Keen discussed the importance of voting in the upcoming November 18th election.

Councilwoman Erin Sandefur wished to commend Mr. Sam Digirolamo and the Livingston Parish Department of Public Works as well as Gravity Drainage District No. 1 for their hard work in her district.

Councilman Shane Mack wished everyone a Happy Thanksgiving.

Councilman Gerald McMorris wished to clarify that District 5 did receive money from the ball park whenever they split, so people remember, it was split 60/40, they got so much, district 5 got so much, so all he asked, if the money's there, they haven't split it, let's send it back to the district where the people paid the taxes.

Having no further business, a motion to adjourn was requested until the next regular meeting being scheduled on Thursday, November 30, 2023, at the hour of six o'clock (6:00) p.m. in Livingston, Louisiana.

LPR NO. 23-477

MOTION was offered by Randy Delatte and duly seconded by Erin Sandefur to adjourn the November 9, 2023, regular meeting of the Livingston Parish Council.

Upon being submitted to a vote, the vote thereon was as follows:

YEAS: MR. MACK, MS. SANDEFUR, MR. WASCOM, MR. DELATTE, MR. MCMORRIS,
MR. TALBERT, MR. KEEN

NAYS: NONE

ABSENT: MR. ARD, MR. GIRLINGHOUSE

ABSTAIN: NONE

Thereupon the chair declared that the Motion had been carried and was adopted and that the meeting was adjourned.
