The chair stated that he wished to reverse the order of these two (2) items and addressed agenda item number 11b, “Whispering Springs, 2nd Filing” and requested if there was anyone in attendance who could speak on this agenda item.

The chair called upon Mr. Robert Dugas, Livingston Parish Department of Public Works Director.

Mr. Dugas stated that he was coming to the Council and recommending that they do not accept these roads for the second filing and the issue is the first filing. He advised that the first filing of Whispering Springs was never accepted in and they had some base failures on it. He explained that they look at the project as a whole no matter how many filings they have, and since they were having issues with the first filing, they did not think that they should accept the roads in the second filing until those are fixed.

Mr. Dugas advised that their bond is coming up for cancellation and his recommendation has been to the Planning and to the Council is to either have that bond extended or call the bond and have the bonding company fix the roads.

LPR NO. 24-115

MOTION was made by Erin Sandefur and duly seconded by Ryan Chavers **to deny** accepting the roads and improvements into the Parish maintenance system for Whispering Springs, 2nd Filing, Grovemont Drive, Section 35, T5S R3E in located in Council District 1 and

He asked if it was alright with the other Council members, he would like to pull this agenda item and pick it back up at the next Council meeting.

The chair addressed agenda item number 12, “**Public Hearing and adoption of L.P. Ordinance No. 24-04:** Amend Chapter 125, Section 125-21, “Required studies and statistical data for development”, requiring the division of nine (9) lots or more to present a traffic and drainage impact study upon their submittal application – Ryan Chavers (*may be deferred to a later date*)”.

Councilman Ryan Chavers advised that he wished to pull this agenda item and send it to the Ordinance committee.

The chair addressed agenda item number 13, “Public Hearing and adoption of L.P. Ordinance No. 24-05: Amendment of L.P. No. 24-02, adding “Mobile Home Parks” to the twelve (12) month extension prohibiting submittals for subdivisions with and without improvements and multi-family developments – Dean Coates”.

The chair called upon Councilman Dean Coates who explained that this would be amending the original moratorium that was put in place at the end of January by including mobile home parks.

The chair requested that the Council clerk read the proposed ordinance by title as follows:

L.P. ORDINANCE NO. 24-05

AN ORDINANCE TO AMEND L.P. ORDINANCE NO. 24-02 ADOPTED ON JANUARY 25, 2024 THAT PROVIDED FOR THE EXTENSION OF A MORATORIUM FOR AN ADDITIONAL TWELVE (12) MONTHS TO INCLUDE MOBILE HOME PARKS THAT WILL PROHIBIT THE ~~STAGE I~~ PRE-LIMINARY ~~MEETING~~ **FILING** OF ANY APPLICATIONS FOR A PRELIMINARY PLAT **OR SITE PLAN** FOR A SUBDIVISION WITH IMPROVEMENTS, A SUBDIVISION WITHOUT IMPROVEMENTS, MULTI-FAMILY DEVELOPMENTS AND TO ALLOW THE ADOPTION OF A COMPREHENSIVE NEW ZONING PROGRAM AND DEVELOPMENT OF PLANS FOR INFRASTRUCTURE TO ACCOMODATE ANTICIPATED GROWTH TO INCLUDE MOBILE HOME PARKS.

The Council clerk read three (3) amendments to the ordinance:

- the phrase “STAGE I” will be removed from the ordinance; and
- the word “MEETING” will be replaced with the word “FILING”, and

The chair opened the public hearing. He asked if there was anyone in attendance who wished to speak for or against this specific ordinance. None being, he closed the Public Hearing.

Councilman Joseph “Joe” Erdey requested for the definition of mobile home parks. Councilman John Mangus questioned the ordinance requirements for mobile home parks.

Mr. Brad Cascio, Parish Legal Advisor, read the definition of mobile home park from the Livingston Parish Code of Ordinances:

Article XIV. Mobile Home Parks

Section 125-176. Definitions.

Mobile home park *means more than one (1) mobile home located on the same tract of land occupying such space as required by this article. However, if a landowner makes application with the planning department and meets the requirements of the affidavit attached to the ordinance from which this article is derived and executed, then placement of one (1) mobile home on the same tract of land, excluding the homestead, will be permitted by the Planning Department. The additional mobile home shall be occupied by a lineal descendant of the landowner. The landowner must subdivide to add any more mobile homes.*

Mr. Cascio advised that they had seen this before where there's already one residence on the property and someone wants to come in because of their son or their daughter, or even a parent wants to move back home in a mobile home on the same piece of property with the proper affidavits and the documentation, that would not be considered a mobile home park.

The chair asked Councilman Erdey if that would suffice. He stated that he was satisfied.

LPR NO. 24-116

MOTION was made by Dean Coates and duly seconded by Ryan Chavers to amend L.P. Ordinance No. 24-05, "Amendment of L.P. No. 24-02, adding "Mobile Home Parks" to the twelve (12) month extension prohibiting submittals for subdivisions with and without improvements and multi-family developments" as follows:

The chair addressed agenda item number 14, “**Introduction of Ordinance:** Amendment of L.P. The chair requested the Council clerk to read the proposed ordinance by title as follows:

L.P. ORDINANCE NO. 24-07

AN ORDINANCE TO AMEND THE ONE (1) YEAR MORATORIUM PROHIBITING THE CONSIDERATION OR SUBMITTAL OF PRELIMINARY PLATS OR PRELIMINARY SITE PLANS FOR RESIDENTIAL OR MULTI-FAMILY DEVELOPMENTS IN COUNCIL DISTRICT 5 CREATING MORE THAN THREE (3) LOTS TO ALLOW THE ADOPTION OF A COMPREHENSIVE NEW ZONING PROGRAM AND DEVELOPMENT OF PLANS FOR INFRASTRUCTURE TO ACCOMODATE ANTICIPATED GROWTH.

The chair addressed agenda item number 15, “Grant a waiver of Section 125-51(e), “Submittals,” to subdivide two (2) tracts (2.66 acres) into three (2) tracts – Lot 11-A (0.770 acres) and Lot 11-B (1.897 acres) tracts in a named subdivision (Walker North Acres Subdivision) located on Walker North Road, Walker, LA 70785 for Parcel #0269043 in Council District 7 – Ricky Goff”.

The chair called upon Councilman Ricky Goff who advised that there was a correction that needed to be made on the agenda that stated, “to subdivide two (2) tracts (2.66 acres) into three (2) tracts”. The request for the waiver should state, “to subdivide one (1) lot into two (2)”.

LPR NO. 24-119

MOTION was offered by Ricky Goff and duly seconded by Billy Taylor to approve and authorize a waiver of Section 125-51(e), “Submittals,” to subdivide one (1) tract, being Lot 11, into two (2) tracts, to be known as Lot 11-A and Lot 11-B, in a named subdivision (Walker North Acres Subdivision) for Rhonda C. The chair addressed agenda item number 16, “Adopt a resolution that all ordinances should be start at the Ordinance Committee before being placed on the agenda for the regular meeting of the Council, with exceptions for time sensitive and other exceptions deemed by the Council – John Mangus”.

Councilman John Mangus stated that a resolution was being proposed, not an ordinance. He advised that it was for housekeeping and it would give the public more chance to weigh in on, and would also help with not having to amend ordinances as prefaced in the Council meeting that evening. He explained that ordinances should start in the Ordinance committee, however, with that being said, there may be time sensitive issues and other exceptions.

Councilman Dean Coates stated that he understood what Councilman Mangus was trying to do, but he wanted to make sure that they understand that if every ordinance goes through the Ordinance committee what would happen.

The chair allowed a very lengthy open discussion.

The chair addressed agenda item number 17, “A resolution to remove from the table the ordinance for LA Trace Road from the previous meeting and send it to the Ordinance committee – John Mangus”.

Councilman John Mangus explained that he wanted to remove it from the table since there’s been action on it. He advised that we would send it to the Ordinance committee and when they’re ready, they send it to the Council and they vote on it.

Councilman Lonnie Watts wished to question why they were doing this. He stated that this is a civil matter and was in litigation. He questioned why the Council would be getting involved when a judge would be handling this.

Councilman Mangus stated that it would go to the Ordinance committee and then they could make whatever decision they want to make on it. He further stated that who knows by the time it’s in there, maybe the decision will be made by the judge or maybe the action that the Ordinance committee and the Council takes influences their court. He advised that it did not need to be in limbo.

Councilman Ricky Goff questioned if the purpose to send it back to the Ordinance committee was for the Council to do something with it? Or was it just to send it back to Ordinance committee to where if anything does come down the pike that the Council needs to discuss with it, it’ll happen in the Ordinance committee? He agreed with Councilman Watts that the Council does not need to be in the middle of this and it needs to be sitting upon the table and just sit there until a resolution with the court is handled.

Councilman Mangus stated that he thought that would be up to the Ordinance committee and how they conduct their meetings.

LPR NO. 24-121

MOTION was offered by John Mangus and duly seconded by Dean Coates to remove from the table the ordinance for LA Trace Road from the previous meeting and send it to the Ordinance committee.

The chair addressed agenda item number 18, “Adopt resolution to authorize the Livingston Parish Department of Public Works to install Federal Highway Administration signage to slow vehicles that exceed the speed limit on Harris Road in Council District 5 – Erin Sandefur”.

Councilwoman Erin Sandefur advised that a constituent called and wanted to curtail speeding vehicles on Harris Road. She had spoken with Mr. Robert Dugas, Department of Public Works Director, about what is the correct sign to place, because different signs bring in different legalities.

Mr. Dugas stated that “Children at Play” signs under the Federal Highway Administration’s guidelines gives the child the right of way on that road. He did not want to put that sign up. He had explained to Councilwoman Sandefur that there were other signs that could be put up. Mr. Dugas further explained that particular sign was designed more for urban areas and in neighborhoods with small blocks and very low speed. He stated that there were other signs and they could be creative, but it needed to follow the MUCTD Code (Manual on Uniform Traffic Control Devices) of the Federal Highway Administration.

LPR NO. 24-122

Councilwoman Erin Sandefur asked if she could add another road to her agenda item. The chair obliged and she stated that she wished to add Lee Ellis.

MOTION was made by Erin Sandefur and duly seconded by John Mangus to add the following roads for consideration to the Capital Outlay/Priority Road List:

- Parliament Drive, Hampton Court, Big Ben Drive, Buckingham Avenue, and Wimbledon Avenue located in Council District 5
- Lee Ellis located in Council District 5
- Arbor Walk located in Council District 6

Councilman John Mangus asked if he could add another road as well, to which the chair obliged. He stated that he wanted to say when they had the questions earlier about Whispering Springs and Gray’s Creek subdivisions with the filings, Arbor Walk is a perfect example of that. He advised that there was no construction entrance and they are still building. He stated that was their access to Hunter’s Ridge and they are still building. He declared that Arbor Walk was very torn up and that it was accepted into Parish maintenance in 2014.

Mr. Dugas stated that, what happens is, that we accept them in, and as soon as you accept them in it becomes a public road which allows that area to be more developed.

The chair asked if anyone had any Councilman’s comments and would like to say anything before they adjourned?

Councilman Ryan Chavers advised that April 20th is “Love the Boot”. Parishes all over the state will be participating in a statewide litter pickup. He stated that last year sixty-four (64) parishes participated. He indicated that Watson, District 2, would be participating and he welcomed any of his fellow councilmen to get involved as well. Councilwoman Erin Sandefur was holding an event in Council District 5. Councilman John Mangus asked how do they get involved? Councilman Chavers advised of the website “Keep Louisiana Beautiful” where you can register an event and get community volunteers. He stated that Waste Management will provide a dumpster or you could bring it to the Parish.

Mr. Robert Dugas wished to announce that on April 20th the Department of Public Works would be accepting white goods, electronics and furniture. This will be done through the Parish President’s new Litter Abatement Program with Ms. Linda Gardner and she will be providing flyers and getting information out to the public. Mr. Dugas also wanted to let everyone know that they have several dumpsters provided by Waste Management for people to bring their litter pickups to the Department of Public Works. They would not be accepting hazardous materials or tires.

Mr. Brad Cascio wished to tell Councilman Chavers that he had his event on his calendar because he wanted to bring his older children to teach them about community involvement. He asked if they needed to bring their own bags or vests. Councilman Chavers advised that he would have “Love the Boot” t-shirts, gloves, litter grabbers, bags and will have hot dogs for everyone to come and eat after the event. He offered his help to anyone that needed help with organizing a litter event.

Councilman Joseph “Joe” Erdey advised that the Hungarian Festival was right around the corner and he would be bringing flyers for everyone to see what the event is all about.

The chair called upon Councilman Ricky Goff who wished to request that Mr. Robert Dugas and the Parish President come to the podium. He stated that when he became a Councilmember, one of the things that he pointed out was the appearance of our landscape, no edging, first appearance if you will. He advised that he mentioned it to Parish President Delatte and he also reached out to Mr. Dugas. He drove in the other day and it was very obvious that a lot of work had been done to help our first impression and he did not want that to go unnoticed. He wished to thank them both and to the ones that actually did the work, he asked that they pass the message on to them.

Parish President Randy Delatte stated that Mr. Robert Hitt was supervising that and he wished to recognize that. He advised of the many phone calls that they had been receiving from people doing business that said that they had never seen it look like that ever. He conveyed his appreciation to Councilman Goff for his recognition.
