

**Minutes of the Livingston Parish Council
Livingston, Louisiana
April 10, 2025**

The Livingston Parish Council met in a regular session duly called, advertised, and convened at its regular meeting place, at the Governmental Building in the Parish Council Chambers, located on 20355 Government Boulevard, Livingston, Louisiana, on Thursday, April 10, 2025, at the hour of six o'clock (6:00) p.m. with the following Livingston Parish Council members present:

John Wascom
Erin Sandefur
John Mangus

Ricky Goff
Dean Coates
Joseph "Joe" Erdey

Billy Taylor

Absent: Lonnie Watts, Ryan Chavers

Also present: Parish President Randy Delatte
Brad Cascio, Parish Legal Counsel

The chair called the meeting to order.

The chair asked the public to please mute or turn off their cell phones.

The chair announced that Public Input would be accepted from any member of the audience wishing to address an agenda item and explained the procedure to be called upon.

The chair addressed agenda item number 8, "Presentations:", and stated that there would be a presentation of the Golden Heart Award given by the Humane Society of Louisiana. He called upon Ms. Stacey Alleman, who operates the inmate/dog housing facility at Dixon Correctional Institute and Ms. Emily Underhill, lobbyist for animal rights.

Ms. Alleman thanked the Parish President and the Council members for allowing them to appear that evening and stated that it was a great honor on behalf of DCI (Dixon Correctional Institute) and the Humane Society to present them with the Golden Heart Award, along with her colleague, Ms. Emily Underhill. She commended the Parish President for making a stand, along with help from the Council members, and bringing this to fruition. She stated that the state of Louisiana has oftentimes been plagued with a horrible and intense animal overpopulation, and they wished to applaud each one of them for stepping up to the plate and making this possible. It was her hope that each one of them would accept this recognition and cherish what they have done for the pet population.

Ms. Underhill addressed the Council members and declared that on behalf of the Humane Society, and as a former resident of Livingston Parish, receiving this award was a great step forward for the people of this community and improving the quality of their life by helping to improve the lives of the animals, whether they are pets or strays. She emphasized that they should really be proud of this incredible award. She stated that they were honored to present it to the Parish President Randy Delatte.

The Parish President came to the podium and accepted the Golden Heart Award. The chair allowed time for photo opportunities.

The Parish President wished to declare that he was accepting this award on behalf of the Council and the citizens of Livingston Parish.

He further stated that the Humane Society of Louisiana had reported a concern that involved the Parish fairgrounds giving away live animals, such as rabbits. Upon contact with Councilman Lonnie Watts, who is a member of the Fairgrounds Association, the Association has agreed to ban this practice. In addition, research will be conducted to determine if any further laws or ordinances would be required.

The Parish President invited the Council members for a photo opportunity with Ms. Alleman and Ms. Underhill.

The chair addressed agenda item number 9a, “Parish President’s Report: Recognition of Donald Burgess”, and advised that Mr. Burgess was unable to attend the meeting that evening and this item was being pulled from the agenda.

The chair addressed agenda item number 9b, “Parish President’s Report: Introduction of Ordinance: Declaration of DPW Surplus Equipment”, and requested the Council clerk to read the proposed ordinance by title as follows:

L.P. ORDINANCE NO. 25-05

AN ORDINANCE TO DECLARE CERTAIN MOVABLE PROPERTY (EQUIPMENT) NO LONGER NEEDED FOR PUBLIC PURPOSES; PROVIDE FOR ITS SALE BY INTERNET SALES AND/OR PUBLIC AUCTION; AND PROVIDE FOR TERMS OF SALE.

LPR NO. 25-097a

MOTION was offered by John Wascom and duly seconded by John Mangus to publish the ordinance by title in the Official Journal in accordance with the legal mandates and set a Public Hearing for Thursday, April 24, 2025 at the hour of six o’clock (6:00) p.m. at the Parish Council Chambers in the Governmental Building located at 20355 Government Boulevard, Livingston, Louisiana, at which time comments will be received on the proposed ordinance prior to a Council vote.

Upon being submitted to a vote, the vote thereon was as follows:

YEAS: MR. GOFF, MR. WASCOM, MR. TAYLOR, MR. COATES, MR. ERDEY,
MS. SANDEFUR, MR. MANGUS

NAYS: NONE

ABSENT: MR. WATTS, MR. CHAVERS

ABSTAIN: NONE

Thereupon the chair declared that the Motion had carried and was adopted on April 10, 2025.

The chair addressed agenda item number 9c:

“Parish President’s Report: Introduction of ordinance: Ordinance to declare certain Livingston Office of Homeland Security and Emergency Preparedness movable property available for trade with a current per unit fair market value and allow the proceeds to be reinvested into a new vehicle for uses allowable under HSGP:

- i. 2017 Chevy Silverado 4 X 4 crew cab - 3GCUKNEC4HG251459
- ii. 2018 Chevy Silverado 4 X 4 crew cab - 3GCUKNEC8JG397093”

The chair advised that Administration no longer desired to include the “2018 Chevy Silverado 4 X 4 crew cab - 3GCUKNEC8JG397093” in the introduction of the ordinance, but did wish to continue with the “2017 Chevy Silverado 4 X 4 crew cab - 3GCUKNEC4HG251459” and called upon the Parish President for further explanation.

The Parish President explained that normally a piece of equipment cannot be traded in because of state law. However, FEMA will be allowing the Parish to upgrade the equipment. In addition, Administration had received a letter from the Parish’s legal counsel, as well as the auditor, who believe that because FEMA is giving permission to the Parish to trade in the equipment, the Parish will be allowed to move forward.

The Parish President explained that originally, their request included authorization to trade in two (2) vehicles, having been awarded a grant to upgrade. A quote had been given for both vehicles in the amount of twenty-eight thousand dollars (\$28,000.00), with one (1) not having a transmission. He advised that it was their wish to trade in the vehicle that is without the transmission and now

they desired to keep the 2017 Chevy Silverado 4 X 4 crew cab. He explained that there was a stipulation within the FEMA grant that stated the award has to be given to law enforcement, OEP, and they would be able to satisfy that with the Compliance Department.

The Parish President wished to reiterate that they were requesting to trade in the 2017 Chevy Silverado 4 X 4 crew cab, not the 2018 Chevy Silverado 4 X 4 crew cab.

Councilman John Mangus made the motion to introduce the ordinance and Councilman John Wascom seconded that motion.

The chair called upon the Council clerk to read the ordinance by title as follows:

L.P. ORDINANCE NO. 25-06

AN ORDINANCE TO DECLARE CERTAIN LIVINGSTON PARISH OFFICE OF HOMELAND SECURITY AND EMERGENCY PREPAREDNESS MOVABLE PROPERTY AVAILABLE FOR TRADE WITH A CURRENT PER UNIT FAIR MARKET VALUE AND ALLOW THE PROCEEDS TO BE REINVESTED INTO A NEW VEHICLE FOR USES ALLOWABLE UNDER HSGP.

Councilman Dean Coates advised that he thought that they were going to have to make a substitute motion or an amendment to the motion to reduce the truck that President Delatte just spoke of off of the list.

The Parish President agreed and questioned if this could be done by resolution, and not have to be introduced as an ordinance.

Councilman John Wascom advised that he had given this some thought, and did not see why this could not be accomplished by resolution. He explained that this would not be a law, and clarified that the action needed was for the Parish Council to authorize the Parish President to enter into a contract that has already been agreed upon.

The chair asked Councilman Wascom if he wished to make a substitute motion?

Councilman Wascom stated that he would like to make a substitute motion for the Council members to adopt a resolution authorizing Administration to enter into this trade agreement on the 2017 Chevy Silverado 4 X 4 crew cab.

The Parish President advised that as he had spoken earlier, Administration had received letters from FEMA, the auditors and the Parish attorney that indicated that the Parish could trade in the vehicle and it could be done by resolution.

The chair stated that he had a motion by Councilman John Wascom that was duly seconded by Councilman John Mangus.

Councilman Mangus asked Mr. Brad Cascio, Parish legal advisor, if the Council needed to rescind the original motion or was the substitute motion sufficient?

Mr. Cascio advised that if it is a substitute motion, it automatically replaces what had originally been proposed. He stated that the Council would vote on the substitute motion first, and if it passed, the original motion was dead on the floor.

The chair asked if there were anyone present who wished to speak for or against this item? Having none, the chair called for the vote.

LPR NO. 25-098

MOTION was made by John Wascom and duly seconded by John Mangus to declare certain Livingston Office of Homeland Security and Emergency Preparedness movable property available for trade with a current per unit fair market value and allow the proceeds to be reinvested into a new vehicle for uses allowable under the Homeland Security Grant Program (HSGP) being as follows:

- **2017 Chevy Silverado 4 X 4 crew cab - 3GCUKNEC4HG251459**

Upon being submitted to a vote, the vote thereon was as follows:

YEAS: MR. GOFF, MR. WASCOM, MR. TAYLOR, MR. COATES, MR. ERDEY,
MS. SANDEFUR, MR. MANGUS

ABSENT: MR. WATTS, MR. CHAVERS

Thereupon the chair declared that the Motion had carried and was adopted on April 10, 2025.

The chair addressed agenda item number 9d, "Parish President's Report: Adopt a resolution authorizing the Parish President to enter into contract with:

First: Sombreros

Second: Rockin Kitchen and

Third: Village Markets

as a secondary to provide food for Parish employees during a declared state of emergency during all weather conditions".

The Parish President clarified that when there are emergencies, there are many times that you can rely on volunteers to provide food, but sometimes this is not available because the emergency affects those volunteers. He stated that most times, the Parish is reimbursed by FEMA or whatever the emergency may be. He advised that there were three (3) companies that answered the bid and that it was the wish of Administration to include all three (3) companies using the bid scoring with the highest score being the first primary, the second score to be the secondary and the third placed bid to be third on the list to provide food for Parish employees during a declared state of emergency.

LPR NO. 25-099

MOTION was made by Erin Sandefur and duly seconded by John Wascom to authorize the Parish President to enter into contract with the following companies to provide food for Livingston Parish employees during a declared state of emergency during all weather conditions in the following order:

First: Los Sombrero's

Second: Rockin Kitchen

Third: Village Markets

Upon being submitted to a vote, the vote thereon was as follows:

YEAS: MR. GOFF, MR. WASCOM, MR. TAYLOR, MR. COATES, MR. ERDEY,
MS. SANDEFUR, MR. MANGUS

NAYS: NONE

ABSENT: MR. WATTS, MR. CHAVERS

ABSTAIN: NONE

Thereupon the chair declared that the Motion had carried and was adopted on April 10, 2025.

Councilman John Mangus commended the Parish President for including all three (3) of the bidders for the contract in the order of scoring highest to lowest as that would provide for backup if the first or second company could not be available.

The chair addressed agenda item number 9e, "Proclamation to declare the dates of April 5th – 13th 2025, as "Love the Boot Week" for Livingston Parish".

The Parish President requested the Council clerk to read the Proclamation as follows:

PROCLAMATION

WHEREAS, Keep Louisiana Beautiful is a state program under the Office of the Lt. Governor and the Department of Culture, Recreation, and Tourism promoting personal, corporate, and community responsibility for a clean and beautiful Louisiana; and

WHEREAS, Litter is not only unsightly, but it also causes great harm to the environment by causing disease, destroying habitats and affecting wildlife; and

WHEREAS, Louisiana and Livingston Parish are lands of unparalleled beauty and natural resources, and it is our shared responsibility to protect and enhance these assets for future generations; and

WHEREAS, litter and environmental degradation detract from the beauty of our communities and impact the health of our planet; and

WHEREAS, the Keep Louisiana Beautiful organization, in partnership with communities across Louisiana, is launching "Love the Boot Week," Louisiana's largest litter removal and beautification effort, April 5th-13th 2025; and

IN WITNESS WHEREOF, I, Randy Delatte, do hereby proclaim April 5th-13th 2025 as days to celebrate our commitment to the "Love the Boot Week" and to working together to make our parish and state a more beautiful place for all.

Councilwoman Erin Sandefur stated that it was an honor to make that motion. Councilman Joe Erdey advised that he wished to second that motion.

Councilman John Mangus wished to report about his District's Love the Boot litter pickup event that was held on April 5, 2025. He advised that Miss Brandy had attended the event with them, as well as Mr. Earl Price, Travis Tharpe and David Danna and he wanted to say thank you very much to the Livingston Parish Sheriff and Warden Landry. He reported that they had three (3) trailers from the Sheriff's office and four (4) trustees and he was still tabulating how much had been picked up. He stated that they hit many, many roads and communities and it was a great event.

The Parish President stated that Councilman Mangus's event was a success and he also wanted to acknowledge that Councilman Chavers, who was absent that evening, also had an event that was a great success as well.

LPR NO. 25-100

MOTION was made by Erin Sandefur and duly seconded by Joe Erdey to support and authorize the Livingston Parish President's Proclamation to declare the dates of April 5th through April 13th, 2025 as "Love the Boot Week" for the Parish of Livingston as follows:

PROCLAMATION

Thereupon the chair declared that the Motion had carried and was adopted on April 10, 2025.

The chair addressed agenda item number 10a, “Livingston Parish Grants Department: Adopt a resolution proclaiming April 2025 as Fair Housing Month for Livingston Parish – Heather Crain”.

The Parish President stated that he was requesting the action that the Council has just previously voted upon authorizing him to proclaim April 2025 as Fair Housing Month for the Parish of Livingston.

LPR NO. 25-101

MOTION was made by John Mangus and duly seconded by John Wascom to support and authorize the Livingston Parish President’s Proclamation to declare the dates of month of April 2025 as “Fair Housing Month” for the Parish of Livingston as follows:

PROCLAMATION

WHEREAS, the 57th Anniversary of the National Fair Housing Law, Title VIII of the Civil Rights Act of 1968, during the month of April, is an occasion for all Americans – individually and collectively – to rededicate themselves to the principle of freedom from housing discrimination whenever it exists; and

WHEREAS, a fair housing law has been passed by the State of Louisiana; and implementation of that law requires the positive commitment, involvement and support of all our citizens; and

WHEREAS, the department and agencies of the State of Louisiana are to provide leadership in the effort to make fair housing not just an idea, but an ideal for all our citizens; and

WHEREAS, barriers that diminish the rights and limit the options of any citizen to freely choose a home will ultimately diminish the rights and limit the options of all:

NOW, THEREFORE, I, Randy Delatte, President of the Livingston Parish Council, do hereby proclaim the month of April 2025, as:

FAIR HOUSING MONTH

in Livingston Parish, Louisiana, and do hereby encourage all citizens to abide by the letter and spirit of the Fair Housing Law and ask the citizens of Livingston Parish to join in reaffirming the obligation and commitment to fair housing opportunities for all.

Thereupon the chair declared that the Motion had carried and was adopted on April 10, 2025.

The Parish President requested for the chair to indulge him and let him speak to the Council members. The chair obliged and no one objected to this.

The Parish President addressed each of the Council members as individuals and wished to apologize for the rough start between the Parish Council and the Parish President. He wanted them to know that this could be fixed, but he would need their help to do that.

He stated that the people of Livingston Parish deserve for them to work together. He acknowledged that each and every one of them wanted to work together, but they just have different ways to go about doing it.

He stated with all sincerity that he felt that the animosity was going to leave.

He briefly discussed his meeting with Councilwoman Sandefur held the day before, and she shared her great concern about this and played a role of great leadership in making this happen. He stated that he wished to give her credit for that as well.

He thanked the Council members and upon this conclusion he was met with applause.

The chair addressed agenda item number 10b, “ Adopt a resolution authorizing the Parish President to enter into a contract with G.E.C., Inc. regarding the Louisiana Community Development Block Grant (LCDBG) – Disaster Recovery and Mitigation/Resiliency Programs for the Drainage Improvements Project Part B (Highway 63 Project) – Heather Crain”.

The chair called upon Ms. Heather Crain, Parish Grant Manager. She approached the Council members and asked if they had any questions.

Ms. Crain explained that this project was identified in an area of low to moderate income, that being the reason that it was picked. She advised that it was located on the west side of Highway 63, in and around the Town of Livingston. She stated that it was their hope to broaden the scope of work and not just the area that was just mentioned.

LPR NO. 25-102

MOTION was made by John Mangus and duly seconded by Dean Coates to authorize the Parish President to enter into a contract with G.E.C., Inc. regarding the Louisiana Community Development Block Grant (LCDBG) – Disaster Recovery and Mitigation/Resiliency Programs for the Drainage Improvements Project Part B (Highway 63 Project).

The chair asked if there was anyone present that wished to speak on this item. Having none, the chair declared that this item was being pulled from the agenda and would be placed on the next agenda for the April 24, 2025 regular meeting of the Livingston Parish Council.

The chair addressed agenda item number 13, "Adopt a resolution requesting DOTD to reduce the speed limit on LA Highway 447 (Walker North) from 55mph to 45mph from Walker City limits to the intersection of LA Highway 447 and Courtney Road due to the high traffic volume and multiple curves in the road – Ricky Goff".

The chair called upon Councilman Ricky Goff who explained that there had been a few accidents in this stretch of road. He explained where the location was of this road, the many curves that have to be navigated and the residences located around this area. He advised that this was a state road and he was asking the Council to approve sending a request to DOTD for the reduction of the speed limit.

Councilman John Wascom questioned the exact location of where the City of Walker begin and end. Councilman Goff advised that the city limits stop at Molly Melissa, which approximately $\frac{3}{4}$ of a mile north from the railroad tracks.

Thereupon the chair declared that the Motion had carried and was adopted on April 10, 2025.

The chair addressed agenda item number 15a, “Committee Report(s): Finance Committee”, and called upon Councilman Ricky Goff, Finance committee chairman.

Councilman Goff stated that the Finance committee had nothing to report at that time. He advised that they would be scheduling a Finance committee and Infrastructure committee to be held on April 16, 2025.

The chair addressed agenda item number 15c, “Ordinance Committee: Recommendation(s) of Ordinance introduction(s)”. The chair advised that the committee had not met, but would be scheduling a meeting for the following Tuesday, on April 15, 2025.

The chair addressed agenda item number 16, “District Attorney’s Report” and stated that Mr. Cascio had to leave the meeting early and was not present.

The chair then moved to the next agenda item, being agenda item number 17, “Councilmembers’ Comments”.

The chair called upon Councilman John Wascom who wished to recognize Mr. Aswell, reporting for the Livingston Parish News.

Councilman Dean Coates stated that he would like to make an announcement that Administration is working on cleaning out Chinquapin Canal. He advised that this is a really big deal and wanted to applaud the Parish President. He also wanted to applaud what the Parish President had said earlier, trying to get everyone working together again. He thought that really shows his leadership in that area and Councilman Coates was really looking forward to working with the Parish President.

The chair called upon Councilman Joe Erdey. Councilman Erdey advised that last Saturday, April the 5th , they held an Albany Hungarian Spring Festival at the Presbyterian Church in Hungarian Settlement. He stated that it was a good time had by all, but the highlight of the event was the appearance of the ambassador from the country of Hungary to the United States. He shared that the ambassador had opened doors for them explaining how their organization could connect with Hungary, granting and aiding them, including awarding scholarships. The ambassador shared that there was a liaison office located in New Orleans who could connect to him very quickly if Mr. Erdey’s organization would like to get in touch with him.

Councilman Erdey stated that he was still blown away that an ambassador from another country attended their festival and thanked everyone.

The chair called upon Councilman Ricky Goff who wished to echo Councilman Erdey’s statements. He advised that Hungarian Settlement was the largest in the state of Louisiana, and possibly the nation, located in Livingston Parish. He spoke of his time on the Tourism Board and

how awesome it was for the ambassador to attend their event. He stated that was just another dedication to the heritage that goes along with the Hungarian Settlement.

He spoke about the Parish President's statements earlier in the meeting and it warmed his heart that this parish was going in really good directions. He applauded the Council as a whole and the Parish President for taking on these challenges and realizing the importance of the Parish.

Upon the conclusion of Councilman Goff's comments, the chair advised that he wished to share a statement for the record.

That statement is as follows, as read by the chairman, Councilman Billy Taylor of Council District 3:

"I'd like to make a statement for the record. At our previous Council meeting on March 28, 2025, Councilman Chavers put into the record that I, the chair, did not put a time limit on the District Rec Administrator and the vice-chair of the Rec Board. Previously, I had explained to the public that Mr. Jim Ryan had called and said that he was ill and was unable to make the meeting. However, there would be board members here to speak on the millage. When the Council members walked into the Council chambers, everyone was presented with two (2) pages explaining the millage and the five (5) year plan. As chair, I considered this as a brief from the park administrator and vice-chair to educate what the millage would be used for as it was done on April 11, 2024 for Rec District 2. They were provided adequate time to spend and to present their five (5) year plan to educate the people on the millage after it had failed for the first time. As chairman I will continue to give the presenters adequate time to educate the people where their tax dollars will be spent and give the people the opportunity to speak within the limits of the Council policy on that topic."

The chair stated that he wanted to put that into the record.

Having no further business, a motion to adjourn was requested until they would meet again at the next regular meeting of the Livingston Parish Council scheduled on Thursday, April 24, 2025 at the hour of six o'clock (6:00) p.m. in Livingston, Louisiana.
