Parish of Livingston

OFFICE OF THE PRESIDENT

LAYTON RICKS
PARISH PRESIDENT

September 23, 2015

To the citizens of Livingston Parish and the Livingston Parish Council:

In accordance with Article V, Section 5-03 of the Livingston Parish Home Rule Charter, the 2016 Operating budget for the Livingston Parish Government is herein presented.

The 2016 Budget has been prepared to maintain all individual funds responsibly, and is presented on a line item basis. Each line of revenue and expenditure is identified for your review. Accordingly, the details provided support our effort to remain transparent and financially accountable.

The condition of the national and local economy was one of the factors considered by the Parish's elected officials when setting the 2016 Budget. The Parish's local economy is impacted by many factors. Most notably, the Parish's primary industries and employers are: government, metal fabrication, fire equipment, retail trade, lumber & wood products, manufacturing and construction. While we hope that growth for many of our employers will have a positive impact on our revenue, we remain conservative in our estimates.

Another important factor impacting the Parish's resources has been the growth in population during the last 10 years. As the Parish's population has grown, more demand has been placed on governmental services to include: roads, drainage, health and welfare and public safety. As these demands for services rise, the Parish's financial obligations have risen. This has increased the importance of allocating Parish resources to the areas in the greatest need.

Another major factor affecting the 2016 Budget is the Parish collections for both property and sales taxes, which approximate 46% of budgeted revenues. Fiscal prudence was used in the preparation of the Budget, taking into consideration the state of National, State and local economic conditions.

Operating and Capital Budgets are based on conservative estimates and are summarized as follows:

OPERATING AND CAPITAL BUDGET

Year 2015 compared to Year 2016

	2015 BUDGET	2016 BUDGET
OPERATING BUDGET		
General	\$ 9,917,731	\$ 10,603,299
Special Revenue	22,376,036	23,048,087
Debt Service	9,830,930	9,419,809
TOTAL OPERATING BUDGET	\$ 42,124,697	\$ 43,071,195
CAPITAL BUDGET	\$ 2,816,515	\$ 1,000,000
GRAND TOTAL	\$ 44,941,212	\$ 44,071,195

The 2016 Budget provides for the Parish to maintain vital services for the public, including:

- Operation of a first class health unit.
- Operation of a new, safer, state-of-the-art Courthouse facility.
- Operation of a jail system to support public safety activities.
- Operation of an emergency preparedness department for future emergency events.
- Public, Educational, and Governmental (PEG) Access Channel-initiation of a channel to provide valuable and timely information to the public.

In order for the Parish to continue an adequate level of support for existing services and continue to address its growing needs, some of the specific efforts included:

- Resources have been allocated in the areas of Adjudicated Property, Bingo and Animal Control to meet the needs in the most efficient and effective way possible.
- Grants-acquisition of approximately \$7.68 million in 2015 in Federal and State grants to support Parish projects including: infrastructure, hazard mitigation, tourism, fire protection and recreation.

2016 Financial Highlights

General Fund

The General Fund is the primary operating fund of the Parish Council and is always classified as a major fund. It is used to account for all activities except those required to be accounted for in other funds. Revenues derived by the General Fund are expected to be approximately \$12.5 million, with projected expenses of \$10.6 million. The General fund also supports other Parish activities that require interfund transfers to other funds, which are projected to be \$529,108 on a net basis.

In addition to basic operating expenses, the Parish supports other governmental offices as follows:

Criminal Court, net of fees	\$ 304,179
District Attorney	\$ 910,814
Clerk of Court	\$ 109,520
Assessor	\$ 18,200
Ward II	\$ 82,037
Justice of the Peace	\$ 117,747
Court	\$ 64,888
Registrar of Voters	\$ 147,870
Elections	\$ 7,700
Coroner	\$ 532,349

Special Revenue Funds

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for certain purposes. The three major special revenue funds are as follows:

Health Unit Fund - This fund accounts for State and Parish health programs. The major means of financing are provided by ad valorem taxes, state revenue sharing, and permits.

The revenues for the health unit are expected to be approximately \$1,104,350 for 2016.

Expenditures and interfund transfers are projected to be approximately \$1,072,125.

Jail Fund - This fund accounts for the maintenance and operation of the jail, and transfers to the Jail Debt Service Fund for the repayment of the jail bonds. These activities are funded through sales tax collections.

Revenues are expected to be \$3.8 million for 2016, primarily from sales tax. Expenditures, on the other hand, are projected to be \$4 million for 2016. As a result, a funding shortfall is present with the operation of the jail facility. In the long-term, the Parish will need to develop a permanent solution relative to the operations of the prison.

Road Fund - This fund account for maintenance of parish wide roads and streets. Major means of financing are provided by sales tax, ad-valorem tax, and state revenue sharing.

The Road fund is expecting approximately \$20 million in revenues during 2016 that is largely from property and sales taxes. The Parish operates both a capital outlay and road maintenance program from these funds. The fund pays approximately \$4.67 million in debt service related to the issuance of debt used to support a parish wide road overlay project performed in a prior year.

Capital Projects Funds

Capital Projects Funds are used to account for resources restricted for the acquisition or construction of specific capital projects or items. The major capital project fund is as follows:

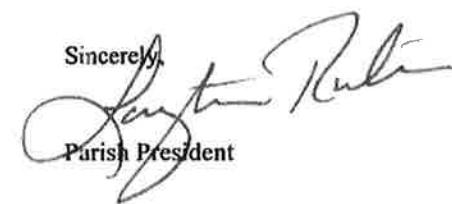

Courthouse Capital Outlay Fund - This fund is used to account for the proceeds of the Courthouse Bonds that are dedicated for constructing a courthouse facility which was completed and is operational this year. The Courthouse C/O fund pays approximately \$1.1 million in debt service related to the issuance of the debt used to construct the facility.

Debt Service Funds

The Debt Service Funds account for the accumulation of resources for, and the payment of, general long-term debt principal and interest and related costs. The major debt service fund is as follows:

Road Debt Service Fund - This fund accounts for the principal, interest and related charges for the Road Bonds Series 2006, the transfers from the Road Fund, and the accumulated restricted cash for the repayment of the bonds. During 2016, debt service is approximately \$4.6 million.

This Budget provides critical services needed by the community. The demand for the related costs of providing these services continues to increase. It is essential that we continue to carefully align community needs with available resources. In short, the real challenge presented to Parish Government is that we make critical decisions at the appropriate time which will result in the best use of the limited resources available to the Parish.

Sincerely,

Parish President
